Doelger Annex Gets Final OK

Ordinance annexing Henry Doelger's 440-acre Westlake Highlands property on Skyline boulevard was read for the second time and adopted Monday night at an adjourned meeting of the Daly City council.

The land will become a part of Daly City on January 19, 1955, 30 days after time of adoption.

Prior to approving the annexation, councilmen passed a resolution entering into a formal agreement with Henry Doelger on facilities to be provided with the annexation.

Voting on both proposals was unanimous, with Councilman Sanford Vickers absent.

B. Poncetta, vice president of the Doelger firm, said grading of the newly-annexed property would probably be underway in six months, while actual construction of homes will be started in approximately one year.

The 3040 homes planned for the area will be built over a five-year program, it is estimated.

The Town Record

By MONTE DAYTON

DAVID STEWARD, that precocious 13-year-old Westlaker of 81 Crestwood drive who upped and organized a whopper of a parade here last August, made the newsprints again this week.

David and a young pal got themselves stranded on a precipitous ledge near Cliff House in San Francisco Monday and the fire department had to be called out to rescue the junior mountain scalers.

David wants to be a priest but at the rate he's going he could step into a press agent's job right now.

Mayor-coach JOE VERDUCCI was among those mentioned in a recent poll as candidate for ousted 49er coach BUCK SHAW'S job.

It's hard to believe but sometimes giving things away is not so easy.

St. Vincent de Paul society, doing a yeoman job in supplying Christmas cheer for the needy, would like to know names of any unfortunate families who have as yet not received a basket of Yuletide happiness.

Persons knowing needy families may contact PETE MARKOVICH, PL. 5-2262. No names, no embarassment, no loss of pride, the society promises.

Prospective buyer of a Westlake home called this department, wanted to know if it was foggy down in those parts.

"If it's as bad as San Francisco," said she, "I won't move there."

The SF Chamber of Commerce may banish the woman from their fair city for that remark.

DON MOSSI, long-armed wizard of the Cleveland Indians, may not pitch in any more Marchbanks games.

Figures it's too discouraging for the young hopefuls to bat against a major league chucker. Sunday the sensational southpaw allowed one hit in five innings (see sports page).

DAN ANDERSEN, city administrator, abandoned his municipal dignity Tuesday night and donned the traditional Santa Claus garb to pass out (presents) to the bigger kiddies at an anniversary and Christmas party at E. D. Grant's Charcoal Broiler.

Some young fry were shivering in front of the Serra and Daly City theaters as early as 10 a.m. Tuesday awaiting the annual recreation department parties which didn't start until 12:30 a.m.

Somebody forgot to put down the time on the tickets.

At Tuesday's public hearing on the Smith trailer court proposal, members of the audience complained they couldn't hear the planning commission's conversation.

JULIAN COHN, newly-appointed commissioner, answered, "We're just discussing formalities now. When we give our votes on the issue we'll answer loud and clear."

And they did, voting down the proposal unanimously.

Tobin Residence Wins Broadmoor Lighting Contest

Residence of Peter A. Tobin, 1023 Nimitz drive, was adjudged winner Tuesday night in the Broadmoor Property Owners association's annual outdoor Christmas lighting and decorating contest.

The Tobin home featured an outdoor panorama of story-book characters, along with Santa Claus and recorded Christmas music.

Seven other winners, in order, were: Roswell Hilton, 704 Maddux drive; Ralph Coppola, 415 88th street; Roy C. Smith, 779 Maddux; Robert O'Neill, 636 Midway; Clinton R. Cross, 611 87th street; Eugene D. Drobny, 616 Larchmont; and Vincent Murphy, 516 Midway.

Each of the eight homeowners will receive a prize. Award list includes electric blanket, universal mixer, deep fryer, electric coffee maker, table-model radio, set of television tables, Borg bathroom scales and Westclock travel clock. Winners will be allowed to choose their prize, with selections being made in order of placement in the contest.

Chairman of the annual competition was Martin Orloff, while judging was done by Mrs. Sanford Vickers, Joseph Rohl and Monte Dayton.

Homes listed by judges for honorable mention were: Louvaine—1851, 1728, 1823; Nimitz—1019, 119; 1151; Manila way—616; White street—707; Maddux—719, 864; Wildwood—843, 835, 840; Stewart—840, 745; Foothill—983; Washington—211, 2390, 102, 1011, 828, 807; Sweetwood—1540, 1608, 1628, 1735, 1763, 1764, 1828, 1524; 88th—411; MacArthur — 612, 567, 624; Larchmont—541, 619, 847, 642; Thornhill — 859, 864, 739, 727; Beechwood — 824,880; Gilman—1016, 1046, 1060; Randall Court—1.

COPS, COWS COVORT IN EARLY MORNING

"This is the Colonial restaurant calling," the waitress said over the phone. "There are eight cows walking by the building."

The Broadmoor police officer on duty Wednesday at 2 a.m. thought he was hearing things.

He summoned Daly City police, who held equal disbelief, but in turn phoned county sheriff's officers, who responded to the scene.

There sheriff's authorities learned from reliable sources that eight cattle had sauntered across the premises of the restaurant at Junipero Serra and San Pedro road during the wee hours of the morning.

At 8 a.m. Wednesday morning the sheriff's office put in a call to Daly City police asking if they'd found the cattle yet.

At last report the octet of wayward bovines were still subject of a county-wide cow hunt.

COLMA MAN DIES IN AUTO CRASH

A 22-year-old Colma man was killed in a crash near Woodland last weekend.

Abner Wallace Owen, 423 C street, died following a smash-up between a car driven by his brother, Willis A. Owen, 30, and an auto driven by William McKinley Wainright, 26, of Santa Barbara.

WOULD BE MOLESTER IS HUNTED

An 11-year-old Daly City girl was forced at knife-point into the car of a would-be molester Wednesday and later threatened with her life if she told of the incident, police related today.

The child, coming home from school Wednesday at 4:35 p.m., was accosted at a vacant lot at the corner of Hillside boulevard and Mission street by and elderly man who was standing near an auto.

The assailant, described as near bald, about 5' 11" and 150 pounds, wearing brown leather jacket and dark glasses, told the girl, "I've got troubles, will you come her?"

The girl replied she was told not to speak to strangers, whereupon the man approached her from behind and placed an eight-inch knife at her back. "See this knife?" he said. The he told the youngster, "I have a niece about your size and would like you to get in my car and try some of her clothes on."

Still threatening her with the knife, he forced the young child to lie down in the rear seat of the auto and then placed a blanket over her.

He drove to an area which the girl later described as a housing development under construction. Spreading the blanket on the basement of one of the unfinished homes, the man ordered the girl to sit down. The victim refused and the assailant began to choke her, while attempting to disrobe the child. The girl fought his efforts and finally he said, "No, it's useless. I'll take you home."

Driving to Alp street, he let the girl out, cautioning her to make up a story to tell her mother about her whereabouts during the past hour. As she started to leave the car he said, "If you say anything about this I'll be back and get you and you'll never come back."

The girl described the man's car as an old model grey two-door sedan.

Because he left the scene immediately in the car, police have as yet reported no leads as to the assailant's identity.

Assistant Building Inspector Job OK'd

City councilmen Monday night tentatively approved hiring of an assistant to aid Building Inspector George Hopman.

Councilmen agreed that the building inspector's department brought in considerable revenue for permit fees, but said more fee money could be realized by hiring an assistant to aid Hopman in the inspection of building.

Smith Trailer Court Rejected By Planners

Smith Enterprises application for permit to construct a $175,000 trailer court near the Mission street business district was rejected in a unanimous vote by the planning commission Tuesday night before an audience of 35 persons.

The planners' decision came following a one-hour public hearing in which several homeowners present opposed the project orally, and a petition containing 441 protestants was read.

Consensus of the opposition was that a trailer court located so near a business section and a school was not conducive to community betterment.

Hugh H. Smith Sr. and his son, Hugs Jr., representing Smith Enterprises, planned to build the 76-unit trailer court south of Brunswick street near Hillside boulevard.

"The General Welfare"

Petition against the trailer court said, "We are submitting for your consideration the signatures and sentiments of registered voters and citizens interested in improving the tenor of Daly City's business district along with protecting the general welfare of all persons and property in Daly City. We trust our advisory and governing bodies to act in the best interests of the majority."

The planning commission's "no" recommendation on the trailer court application will be submitted to the city council for final action.

Other Business

In other business Tuesday, the planners:

1. Held over application from Paul Selmi to add three rooms and bath rental unit to existing building at 60 Miriam street, pending study by the building inspector.

2. Held over a similar request for rental unit at 41 Shakespeare, submitted by Robert Revendez, pending inspector's study.

3. Approved application of Mesak & Holm, general contractors, for re-subdividing lots 40 through 49, Bella Vista Terrace.

4. Approved request for variance from Ricco Lagomarsino, asking construction of four single family dwellings on Block 2, Mission Street Terrace.

5. Approved Gateway Chevrolet request for use permit on parking

POLICE WATCHING YULETIDE DISPLAYS

Somebody in town has a lavish Christmas display—all for nothing.

A culprit, qualifying himself for the Yuletide Season's meanest thief, went on a rampage this week and stole Christmas decorations from four homes.

Victims were: Tuesday night, K. D. Commer, 85 Cliffside, Christmas lights; Monday night, Mrs. Chester Moss, 119 East Vista, Christmas lights; Sunday night, Mrs. C. M. Yohn, 292 Hillside boulevard, Christmas wreath.

In addition to this decorative loot, the thief took 12 hedge rose bushes left at the side of the N. Webb home, 701 Templeton.

Police are watching for a home with an abundance of Christmas lights, two wreathes and a newly planted hedgerow of roses.

Two Local Youths Held In SM Knifing

Two 17-year-old Daly City youths are being held for juvenile court hearing following an alleged knifing incident in San Mateo Sunday in which a Burlingame man was stabbed in the back three times.

The Daly City pair were arrested Sunday along with two other San Francisco youths after they attacked and knifed a skater, Joseph Richard Lusk, 23, at a roller rink on Bayshore highway in San Mateo, police there said.

According to officers, the four youths had been drinking and could give no motive for their assault on Lusk.

According to Lusk, the attack took place as he was going to the skating rink locker room about

Bid Awarded For Mission Circle Widening Project

O. C. Jones & Sons, entering a bid of $3747.60, were retained by the city council Monday night for the Mission Circle street widening project.

Of the six bids submitted, their's was low, although it was nearly $400 above City Engineer Edwin Smith's estimate.

Mission Circle, now a one-way street for north-bound traffic, will be widened from 24 to 34 feet to accommodate two-way traffic.

Councilman Micheal De Bernardi suggested that the engineer check with the water department superintendent to determine if the city could do a portion of the work, thus cutting total cost of the project.

CHARGE MAN WHO HIT COP CAR DRUNK; TRIAL SET

A charge of drunk driving has been lodged against a 27-year-old Colma man who allegedly backed into a Daly City police car last Thursday at the corner of Castle and Hillside streets.

Nevens Boyce Hoppes, 600 Market street, appeared in municipal court Tuesday and pleaded not guilty to the charge. Jury trial was set for January 6.

In other municipal court action Tuesday Lloyd Simmons, Box 82, Pedro Valley, forfeited $50 bail arising out of four traffic violations alleged to have occurred on Skyline boulevard in Daly City

TELL PLAN FOR MOVING WIRES UNDERGROUND

A plan to move all PG&E utility wires on Mission street in Daly City underground was revealed to the council Monday night by City Administrator Dan Andersen.

Andersen said the project, to cost an estimated $90,000, would "make a big difference" in the Mission street shopping areas by eliminating poles.

Some of the cost, Andersen explained, will have to be carried by merchants on the street. He estimated assessments would run about $150 per place of business but said it would be well worth it.

He said the moving of wires underground would probably be completed in September of 1955.

Wave Car Thefts Hits Area; Two Recovered In SF

Two of three cars stolen from Daly City during the past week were reported recovered by local police.

All three of the autos taken were parked in the Westlake area.

Saturday Glenn B. Hillman, 181 Park Plaza drive, reported the first theft. Sunday Gerald D. Coakley, 32 Crestwood drive, apt. 4, told police his auto had been stolen.

A third call came in Wednesday

ANOTHER BIG HOLE — Work is reported progressing on schedule at Westlake Reservoir No. 2, situated west of Skyline boulevard south of the U. S. Military reservation. Capacity of this reservoir, set for completion in three months, will be 1,500,000 gallons, and marks the second major step in Daly City's water project. A third reservoir will be installed south of one shown in photo at a later date.

WHOOPS, MORE LEAKS — Shortly after this photograph was taken Friday at Westlake Reservoir No. 1 on Southgate engineers ordered test filling of 1,350,000 gallon reservoir halted and water released, after another leak was spotted in the mammoth tank. Reservoir was approximately 1/5 full when this photo was taken through trapdoor in giant water receptacle. Friday's discovery of leakage in the tank marked the third such incident since its completion in October. Water Superintendent Charles "Gus" Ford said test filling of the reservoir was scheduled again early this week, following sealing of the new leak. Reservoir No. 1 is first portion of $390,000 water project. Eventual water storage capacity in this area will be more than 3,000,000 gallons when other reservoirs are installed.

WESTLAKE SITE FOR EPISCOPAL CHURCH BOUGHT

The California Diocese of the Episcopal church has purchased a site from Henry Doelger on Bradley drive and Southgate avenue as location for a church and parish house to serve Westlake and outlying areas. Plans for the first unit are now being made, it was learned today.

Meanwhile it is planned to initiate services in the new vicarage on Palmdale avenue near Southgate, which has also been purchased for the residence of the clergyman, the Rev. Henry Dick, now in Charlotte, N. C.

Those who are interested in entering their children in church school, their young people in youth organizations, and the family in attendance at divine worship in the new temporary chapel are requested to phone the Diocesan office, 1055 Taylor street, GRaystone 4-0844.

The Bishop of the Diocese, the Rt. Rev. Karl Morgan Block, D.D., will conduct the first service when the building is ready for occupancy.

12:30 a.m. Lusk and a special police officer apprehended one of the four, Donald Everett Thomas, 18, of San Francisco, while San Mateo police picked up the fleeing trio minutes later. One of the three was James Joseph Tacusis, 22, of San Francisco.

All four youths are being held on charges of assault and battery, assault with a deadly weapon and disturbing the peace.

Local police said one of the two Daly City youths arrested was involved in a previous knifing incident here at a wild party last year.

Children's Christmas Party Attracts 2600

A total of 2600 Daly City youngsters ganged the Serra and Daly City theaters Tuesday to view two and half hours of film and enjoy candy and apples provided by the recreation department and the PTAs.

Mel Battye played the role of Santa Claus before 1600 tots at Serra theater, while Daly City theater's 1000 turnout saw John Belforte as St. Nick.

At Daly City, the kids viewed "Three Stooges," and a cartoon, while at Serra "Bachelor and the Bobby Soxer," was shown.

BE EXTREMELY CAREFUL IN MAKING LEFT-HAND TURNS, WARNS THE N.A.C.

Not the least of the hazards that motorists have to contend with at busy intersections is that of the left-hand turn. Carelessly made, points out the National Automobile Club, this maneuver can result in snarled traffic, dented fenders, or even more serious damage.

At intersections where traffic signals are in operation you can sometimes make your left-hand turns by wheeling across in front of oncoming cars. But this way is discourteous and dangerous. It is much better to yield the right of way to the cars coming through, wait until they are past, and then make your turn.

At intersections where traffic signals are not in operation you must wait for an opening in the stream of traffic. If it is in an unbroken line and there seems to be no opening, you can make one by gradually moving over, by making your intentions known by "position signalling."

By using a little patience, a little courtesy, you can make these left-hand turns smoothly and safely.

CATCHABLE TROUT PLANT ENDS WITH NEW RECORD

Planting of catchable sized trout by the Department of Fish and Game has closed for the season with an all-time high plant of 5,485,000 fish in California's streams and lakes.

This represents a 12 per cent increase over the 1953 figure of 4,900,000 catchables. Next year's total is expected to go even higher as more of the big, new hatcheries go into full production. Plans also call for earlier stocking to insure a good supply of trout during the first weeks of the season.

Anglers at the same time were reminded that trout seasons closes Oct. 31, with the exception of several lakes on which there is no closed season. These include Lakes Almanor, Shasta, Britton, Copco below bridge No. 7, Millerton and Dam 7; and the following reservoirs; Exchequer, Don Pedro, Turlock, Coyote and Anderson.

Parkmerced's Meyers Thanks Constituents

State Assemblyman Charles W. Meyers of Parkmerced today expressed his gratitude and sincere thanks to the citizens of the 19th Assembly district for the support given him in the recent general election, in which he was re-elected to a fourth term.

Assemblyman Meyers, joined by his wife Alene, wished everyone a very Merry Christmas and a most joyous and prosperous New Year.

The Santa Legend Should Be Explained, Psychologist Says

"CHILDREN enjoy Santa Claus more when they know what he really is," Duke University psychologist Dr. Gelolo McHugh says.

"No one enjoys finding out that he has been kept in the dark," says the specialist in child psychology, "and children are no exception." The real meaning of Santa Claus is the joy of giving to make others happy, says Dr. McHugh, and no child should be deprived of this privilege.

Later parents have the difficult job of explaining that there is no jolly old Christmas man, Dr. McHugh points out. When the truth comes out the parent has placed himself in the position of being responsible for Santa's disappearance.

Santa should be a part of Christmas, however, Dr. McHugh believes, but from the very beginning, he should be treated as a wonderful pretend game. This method has proved successful with many children, the specialist says, including his own two young boys.

Children, who love to make-believe, are perfectly capable of enjoying Santa, reindeer, chimneys and all, while knowing in their hearts, when they stop to ask themselves, that he is a pretend person, he says.

The child who takes part in the Santa game doesn't have to wonder on Christmas morning why Santa didn't like him well enough to bring the expensive toys that were ordered from the North Pole, the psychologist points out.

The young Indianapolis mother who recently wrote a Christmas letter for her 5-year old son just before her death in an airplane crash, had wonderful understanding, Dr. McHugh says. She ended her letter by telling her little son that "anyone who loves and gives is real Santa."

PROCESS SERVER OBTAINS WRIT FOR RE-HEARING

John E. Blake, San Francisco private investigator who was slapped with a $100 contempt of court fine December 2 after attempting to serve a subpoena on Judge Thomas L. Bocci of Garden Village while municipal court was in session has obtained a writ of revue ordering a higher court to re-hear his case.

The process server received the writ from Superior Court Judge Murray Draper last week and the case is set to be heard December 27 before Draper.

Fined $100 on December 7 following the incident in which he allegedly rushed into Bocci's court and threw the subpoena at him, Blake was given a 10-day stay of sentence, during which time he obtained the writ.

Blake has argued that court was not in session when he served the process. He charges that Bailiff Bob Lynch ordered court to convene the moment Lynch saw him coming down the aisle.

Attorney John J. Taheny is representing Blake.

JEFF HI STUDENTS TO VISIT VILLAGE PLAY SCHOOL IN '55

Students of the Jefferson Union High school homemaking class will visit the Village Play school during the coming term, as an extension of the child care unit being taught by Miss Elizabeth Jones. Each high schooler will observe and participate for one morning from the 8:45 a.m. health inspection, through the 10 a.m. juice and crackers, until the children leave for home in their car pools at 11:45 a.m. They will observe the children at the clay tables, finger-painting, on the tumbling mats and outdoor equipment, and in the doll corner, as well as in their relationships with their playmates and with the mother-teachers.

In an effort to acquaint the teen agers with the attitudes and procedures employed with the preschoolers, Mrs. Alvin Palavin, director of the Village Play school, visited the homemaking class recently and outlined the objectives and nature of the cooperative nursery school.

FOR SECOND TIME: NOBODY SHOWS FOR ENGINEER JOB

Daly City has an $8000 a year engineer job that's going begging.

Monday night for the second straight time councilmen were scheduled to interview applicants for the job and for the second straight time none of them showed up.

Last spring the council agreed to hire a public works director at a salary estimated at $8000.

Since that time several engineers have been contacted and expressed interest in the job, but to date none of them have shown up.

Quaint Rehearsal Of Christ's Birth Found in Old Carol

"Auld Lang Syne" has become such an integral part of our modern New Year's eve that no celebration, however gay, would be complete without it.

The music sheets for those nostalgic strains simply say "Robert Burns — Scotch Air", and Robert Burns generally is supposed to have written it after he had settled down on a farm and taken himself a wife, following the sweeping success in 1778 of the second edition of his "Poems." Well and good, but Auld Lang Syne was not exclusively a Burns' product, nor did he claim it to be.

In a letter to George Thomson, a publisher, Burns explained:

"It is an old song of olden times, which has never been in print. I took it down from an old man's singing."

Modern scholarship has discovered that Burns was wrong when he told Thomson "Auld Lang Syne" never had been in print. Its refrain, at least, was printed obscurely long before Burns heard his "old man singing."

Further, the original song often has been credited to Sir Robert Aytoun (1570-1638). Aytoun was one of the earliest Scots to use the lowland dialect as a literary medium. Multitudes of Americans decended from non-British stock are perpetually mystified by this dialect, nor does it seem to make much sense in the standard English translation.

Regardless of its original author and origin, it was Burns who gave "Auld Lang Syne" its immortality. And though the bells now welcome the New Year with joyous peals, symbolizing mankind's hope for a bright future, the nostalgiast of "Auld Lang Syne" summarizes an adherent reluctance to leave the security and friendship of the past and embard upon a future which, however promising, may not be more pleasant. Thus, it remains a part of the English speaking heritage to

"Drink a cup of kindness yet
For Auld Lang Syne."

Last Rites Held For Revered MD, William Lynch

Last rites were conducted Monday for Dr. William C. Lynch, retired Daly City practicioner who died Saturday at his home in Aptos, Calif.

Well known in this area for the 17 years he practiced medicine here, Dr. Lynch in 1937 built his home on 101 Wellington avenue which he later sold and which subsequently became a medical center.

Dr. Lynch was graduated from the University of California and practiced for a short time in Niles. He served in World War I as major in the medical corps, spending a year overseas.

The deceased was affiliated with the Masonic bodies of Texas, being a past master, F & AM, El Paso Chapter R.A.M. He was a member of Knights Templar of El Paso Commandery No. 18, and Crocker Chapter No. 382, Eastern Star of Daly City.

Dr. Lynch was also affiliated with the American Medical Association and the San Mateo County Medical Society.

He retired in 1948, at which time he and his wife, Hazel, moved to Aptos on a 27-acre farm near Santa Cruz. He was a member of the Episcopal church in that community.

He leaves, in addition to his widow, two sons, George H. Lynch of Los Angeles and Joseph C. Lynch of South San Francisco; a sister, Mrs. L. Ruette Dunning; seven grandchildren and one great grandchild.

Burial was at Golden Gate National cemetery in San Bruno. Services were held from the mortuary of W. C. Lasswell & Co.

COUNCILMAN ASKS POLICE SHIFTS BE MOVED UP 1 HOUR

Police don't have time to check on what's gone on the previous shift when they come on duty at 1 a.m., Councilman Del Wilson told city fathers Monday night.

Wilson suggested that instead of shifts starting at 9 a.m., 5 p.m. and 1 a.m., they all be moved up one hour.

He said this would give officers more time to find out what went on during the previous shift. This is especially important at the 1 a.m. shift, he said, because the bars close at 2 a.m. According to Wilson, police coming on at 1 a.m. aren't really ready for action until 1:30 a.m. Thus, they are only on duty one-half hour during the most important part of the day, he continued.

"I can't see where moving the shifts up one hour is going to make any difference," said City Administrator Dan Andersen.

Wilson answered that the shift move-up will also help at 5 p.m., one of the businest times of the day for police. He said if officers came on at 4 p.m. they could be ready for the problem, instead of changing shifts in the midst of the peak traffic.

Vehicle Department Revokes One License

License of one local motorist was revoked, another suspended and another placed on probation in recent state department of motor vehicles action.

Revocation of license went to Herbert Theodore Derungs, 399 Westlake avenue. Receiving suspension was Edward Louis Jones, 268 Willits street. Raymond Comello, 195 Lake Vista, had his license placed on probation.

Involved in his first traffic offense, with no action recommended by the department, was Verl Cecil Booth, 267 Los Olivos.

Reinstatement went to Ralph Donald Ostergren, 219 Miriam street, while permanent reinstatements were granted to: John DeBella, 196 Santa Barbara avenue; and Andrew Paul Lopez, 50 Theta street.

Christmas Eve Memory Check

Did You Remember . . .

. . . to take home a few extra toys? If you are expecting two or three neighborhood small fry to drop in, you can be sure six will show up. And three toys and six children do not enhance "Peace on Earth."

Did You Remember . . .

. . . to check the Christmas tree lights? Not day before yesterday. Not last week. We mean right now. A few stores are still open and you can supply new ones. Better pick up a few more ornaments too.

Did You Remember . . .

. . . that you told all those people to drop in for refreshment tonight? Better check on the cake, cookies, soft drinks, and other goodies.

Did You Remember . . .

. . . those last minute Christmas cards? If not, you can send telegrams to friends too far away for cards to reach them by December 25. You can even have a messenger call at your house while the guests you invited in for snacks are there, and probably everybody will remember someone far away who should have a Christmas greeting.

Did You Remember . . .

. . . to hang some kind of Christmas decoration outside the house, so passing strangers may enjoy some of the Christmas glow that is in your home and reflect it around your town? Remember, everyone has a part in this Christmas cheer, not just your small circle, and the more cheer you scatter, the more you will gather.

Individuals, Groups Contribute To Needy's Christmas

Joining forces with the St. Vincent de Paul society this year to make what has been reported as the best Christmas ever for the needy in this area were the Daly City fire department, Lions club, Rotary club, Eagles Auxiliary and American Legion Auxiliary Post 410.

The response to the appeal for toys was excellent, according to Fire Chief Elmer Kennedy. The firemen have been busy for the past several months in repairing, remodeling and repainting several hundreds of toys.

Peter Markovich, chairman of the St. Vincent de Paul society's annual Christmas fund appeal, publicly thanked the Daly City firemen for their donation of toys and turkey baskets; the Lions club for their donation of turkey baskets and cash; the Rotary club for donation of new clothing; the Eagles Auxiliary for their donation of food baskets and toys; and the American Legion Auxiliary Post 410 for donation of turkey baskets.

He also acknowledged with gratitude cash donations from the following: Dr. L. B. Mahan, Elias Wille, L. Larison, A. W. Gibbons, A. Peloquin, P. Snapp, Jim Cummins, Market Street Van & Storage Co., Tony Parmisano, A. Panella, M. Bertolucci, Hilltop Meat Market, J. Cosgrove, Dr. L. J. Tavern Patron Meets Cops Twice In One Weekend

Dean Francis O'Connor, 60, of 226 Evergreen, exasperated local police once too often last weekend.

One Friday afternoon O'Connor was picked up in what police said was a very intoxicated state at a Mission street tavern. They handled the case with the customary "release from jail when sober" routine.

Sunday afternoon officers again ran into O'Connor, this time at a tavern right next door to the spot where he was apprehended Friday.

Again, police said, O'Connor was in a very intoxicated state. This time he was hauled before Judge Thomas L. Bocci's municipal court, pleaded guilty to the drunk count and was sentenced to five days in the county jail or $25 fine.

He was given a five day stay of execution in which to meet the terms of the sentence, providing he doesn't run into police again first.

OFFER CLASSES ON INCOME TAX AT SM COLLEGE

How to make out your personal income tax forms will be the course material for a class in Individual Income Tax to be offered by the College of San Mateo Adult Center beginning on Monday, January 3. It will meet on Monday and Wednesday evenings from 7:15-9:15 p.m. on the Baldwin campus. This class, taught by Mr. Mack McCoy who has previously worked for the Bureau of Internal Revenue, will give one the basic information necessary for figuring deductions, filling out forms and applying for tax refunds where they are due.

Another class new to the Business Department this quarter is the class in Business English and Correspondence. This class will also open on Monday, January 3. Scheduled to meet in Room 19A at Coyote Point, the class will meet weekly on Monday nights from 7:15-9:15 p.m. This class will give one experience in the composition of reports and business letters.

Other classes offered in the Business Department by the Adult Center include Accounting, Shorthand, IBM Keypunch Operation, Law Trusts and Taxes for Insurance Men, Real Estate and Typing.

Registration for the Winter Quarter begins for most classes during the week of January 3. The class instructor will supply the necessary registration forms and collect the dollar fee during the first class meeting. For further information concerning the program call at the Adult Center Office, 124 Baldwin avenue, or phone DI. 2-1421.

Seasonal Factors Reflected In Employment Drop

Seasonal factors were reflected in a drop in employment and a rise in unemployment in California during November, according to a joint statement released today by the departments of Industrial Relations and Employment.

Employment decreased to 4,980,000 in November from 5,063,000 in October. At the same time unemployment rose to 178,000 from 161,000. During this period the labor force decreased by 66,000, largely in agriculture.

Paul Scharrenberg, Director of the Department of Industrial Relations, pointed out that the decrease in employment of 83,000 was less than the usual seasonal decline. "If allowance is made for normal seasonal employment fluctuations, November was a better month than October," he said.

William A. Burkett, Director of the Department of Employment, called attention to the fact that the rise of 17,000 in the number of unemployed between October and November this year compares with an increase of 31,000 last year.

The usual seasonal October-November dip in manufacturing employment was offset in part this year by a sharp upturn in automobile plants as the industry began production of new models.

Seasonal influences were dominant in the employment upturn in trade and in the downturn in agriculture.

CHILD TREATED FOR SCALP CUT

Seven-year-old Jerome Samuels was treated at Junipero Serra hospital for a scalp cut received when hit by a rock Saturday afternoon in back of Edgewood park.

According to police, another youngster threw the rock that hit young Samuels. The cut required three stitches.

Samuels is the son of Mr. and Mrs. Cyrus Samuels, 187 East Vista avenue.

WORKING FOR HAPPY CHILDREN

Healthy, happy children—that's what we're working toward when we buy the Christmas Seals of the San Mateo County Tuberculosis and Health Association.

A sheet of the 1954 Christmas Seals with it gay chains of children pictures what we all want for our children: health and happiness and a future without fear. Perhaps we can't insure such a life for our children, but we can do something toward it by helping to erase the dark shadow of TB which today lies across so many lives In San Mateo county there are 665 known cases of TB, and possibly half again as many so far undiscovered cases. Though the death rate from tuberculosis has been cut by 90% in the past half century it is still the number one infectious disease in the nation, with a new case reported every fifth minute.

Every citizen of Daly City should inform himself about TB and what he can do to help protect himself and his family against this insidious disease. And because the Seal Sale is the only source of funds for the TB Association's year-round efforts to check the spread of tuberculosis, every one of us should buy and use Christmas Seals generously.

TURKEY AND TINSEL AND CARDS...

Turkey and tinsel and cards and candy and trees and cranberry sauce and silver ribbon . . . they are all parts of the Christmas picture: that is for those who can enjoy them and, fortunately, most people can.

For other people, though, the Christmas picture is entirely different. Highway Patrol Officers, city policemen, and sheriff's deputies for instance, tell their wives to let the children open their gifts before dad gets home. They'd like to be under the tree with the kids all right, but they have work to do.

Interns and nurses in emergency wards prepare to work a schedule of heavier duty and longer hours as the hospital corridors are cleared to make room for accident victims.

Ambulance drivers rest themselves ahead of time for they know there'll be no rest when the holiday starts. Telephone operators face the prospect of switchboards swamped with urgent calls and nerves shaken by repeated demands from hysterical people wanting reassurance that loved ones feared dead are still alive.

Extra jailers are assigned to duty and prepare to load drunk tanks to capacity with the traditional holiday revelers. It happens every year. They come staggering and stumbling in, some overfull of good cheer, some remorseful, and some passed out and messy.

Automotive repair garages must arrange for expert emergency towmen to remove battered wrecks without waste of time for there is sure to be another waiting elsewhere every time a mass of twisted steel and broken glass is hauled off the road.

Each holiday season we, as motorists and pedestrians, are asked, invited, urged, and threatened in an attempt to keep us aware of the disgraceful, distasteful, and often tragic results of carelessness, discourtesy, and drunken stupidity.

We should know by now that, nationwide, the day before Christmas is the most dangerous day of the entire year in traffic. Accidents and injuries happen by the thousands on this one day, while traffic deaths run into the hundreds.

Do you doubt these statements?

The man who is closest to the California traffic picture, Highway Patrol Commissioner B. R. Caldwell, can cite the proof

Last Christmas Eve in California there were twenty-one traffic deaths. This is more than twice the daily average throughout the year!

He can also show you that caution, courtesy, and sobriety will spare the lives of many who otherwise would die. Proper precautions will insure a Merry Christmas.

MEDICINE AND HUMANITY

The passing Saturday of Dr. William Lynch marked the end of a dignified yet humble career of a physician that gave much and asked little of Daly City and its inhabitants.

During his 17 years practice here, several of which were during the heighth of a depression, Dr. Lynch served perhaps an average of 20 patients a day, asking little more than gratitude from many.

Particularly remembered is that period about 1934, when Dr. Lynch headed the staff of a local clinic. The man who operated that institution, Joseph Sarto, still recalls today Dr. Lynch's timeless healing efforts.

As Mr. Sarto has expressed it, Dr. Lynch came from the "old school" of medicine—he was concerned first with the welfare of his patients; only secondly with receiving remuneration for his services.

During 1934, Dr. Lynch is remembered as having handled as many as 30 patients in a single day. Seldom, during those days, did he receive a fee, for many times he never asked it.

"We're all in the same boat," he used to jest.

Dr. Lynch also served admirably on emergency cases for the city of Daly City during his residence here.

Dr. Lynch was a "grand old man" and a living symbol of the Hippocratic oath to which he subscribed.

FIRE -- EDUCATE YOURSELF

It's almost Christmas and its a time for merriment and rejoicing.

But as Fire Chief Elmer Kennedy points out, it can prove a tragic time if fire hits your home.

Elsewhere in this paper the chief lists a few precautions to be observed at this time of year. We will not reiterate these.

But we would like to re-emphasize the importance of acting quickly and intelligently in event fire does strike.

A recent case in this city illustrated the importance of notifying the fire department immediately. Because a box alarm was not pulled in time, a house was nearly destroyed.

We would like to advise all residents of the city to take it upon themselves to know the whereabouts of their box alarms.

Every neighborhood has one or more of these devices.

If you are unfortunate enough to have a fire in your home, of first importance is notifying the fire department. Setting off the alarm box is the fastest method of doing this.

Educate yourself and your neighbors on measures to take in case of fire. The fire department will do the rest.

My Mad World

By Leonore Brewer

Now that the last ornament has been hung on the tree, the last gift wrapped and the last stamp licked, there isn't anything left to do except collapse and wait for Christmas eve.

About this time every year the wear and tear of the holidays finally drives us to the point where we feel "Scroogie" and are easily annoyed by the endless suggestions of what we can give others. So this year we have decided to devote our Christmas message to what Santa can bring us, not necessarily right away but some time in the coming year.

When the time comes, we would like to open the 1955 San Francisco Opera prospectus and read that "Norma" is scheduled. We have brought this subject up several times in the past, only to run headon into the inevitable question: Who is going to sing Norma? That question no longer holds any terrors as we've got the answer: Callas! If Chicago can afford her, we can afford her.

Bring Us The Band

Santa can also bring up from Vienna the Deutschmeister Band conducted by Julius Herrmann. The band is all that remains of the Deutschmeister Regiment which, like the Empire it served, was disbanded at the close of the First World War. At that time they numbered well over a hundred, but as no replacements are ever made here are now usually fewer than thirty when they go on tour, and few of them are much under 65.

Except when they visit other countries they do not rehearse often because they play mostly the music they played as the Imperial band. In their uniforms of the day of Emperor Franz Josef they are a living reminder of the glory of Imperial Vienna. Santa is going to have to hurry a little on this one as they aren't getting any younger, and when they die there will be no more.

Next Best Thing

So here we sit, watching the tree turn round and waiting for Christmas Eve and Santa. Of course he can't always bring what we ask for, but there will always be the next best thing—the recordings. Angel's "Norma" with Callas, Ebe Stignani and Nicola Rossi-Lemeni is the greatest operatic recording of the year. It is grand opera in the great tradition.

As for the Deutschmeister Band, when they are no longer with us we can still play Westminster No. WL 5300. On this record they play the same old Christmas Carols we have heard all our life. Listening to them, our faith in the unchanging wonder of Christmas is restored.

Merry Christmas!

Safety News

"Even a thousand Christmas presents would be no substitute to your family for **Your** presence. For this reason, I urge everyone planning to take a motor trip this holiday season to drive with extra care."

Inspector H. Sundermann made this comment today on the holiday traffic hazards program being conducted by the City of Daly City and the National Safety Council.

In December, the weather man throws his whole book of tricks at drivers and walkers. We can expect rain, fog or damp streets to help create a hazard.

And to add to the problem we find more than half the day is either dusk or darkness in December. Putting all of these facts together, it doesn't make for easy driving.

Inspector Sundermann said the best all-around safety advice he could give motorists was "slow-down-adjust speed to conditions." But he added these suggestions for motorists planning holiday trips.

1. Plan your trip so that as much of the driving as possible will be accomplished during the light hours of the day.
2. Postpone your trip entirely when the weather is particularly rainy, or when bad weather is forecast.
3. Be sure your car is in tip-top mechanical condition before attempting to take any sort of a trip.
4. Most important of all: Adjust your speed to conditions.

Thousands of American homes will be saddened by traffic deaths at this time of year. Many of these traffic deaths need not occur—will not occur if every citizen in Daly City gives some thought and effort to safe driving.

The dahlia is named in honor of Andreas Dahl, a great Swedish botanist.

LIFE SAVERS — Capt. John W. Kennedy (left), California state highway patrol officer, presents Daly City Mayor Joseph Verducci (center) and Police Chief Roland Petrocchi plaque for achieving entire year of 1953 without a traffic fatality. This marks the third straight year Daly City has received such an award. Presentation was made at Thursday's regular meeting of the Daly City Chamber of Commerce.

Christmas In Denmark

As we promised in our last article, we are going to describe the wonderful Christmas Tree to be found in a Danish home. If you could only see the glow in Rikka's eyes as she describes this wonderful tree, you would know how much Christmas means in Denmark.

Perhaps the most noteable characteristic about the Danish Tree is the fact that it appears to be in motion. Most of the ornaments are homemade (or bought from itinerant, unemployed folk who earn a few pennies in this manner). No matter who makes them, however, they are designed to turn, from the heat of the hundreds of lighted candles that are on the tree. (The tree is cut fresh in the forest the night before it is to be decorated in order to lessen the danger of fire.) However, the same results can be achieved by the use of electric lights on the tree.

Typical Danish Ornaments

1. Red and white candles—fastened on wire holders.
2. Shining red apples—fastened on string.
3. Chains of little Danish flags—connected by string.
4. Tissue paper flags—fastened by wire to the end of each branch.
5. Umbrellas—tiny tissue paper and silver foil, fastened on a tooth pick.
6. Mushrooms—made from plaster or paper and paste (these are placed deep in the tree, just as they would grow deep in the forest.)
7. Yarn pixies—with hat or beard of cotton, cloth, or paper.
8. Things of straw—using the straw from the cornfields, goats, pixies, stars, and tiny mobiles are woven, braided, or tied.
9. Snowflakes—cut out of brightly colored paper, many strung together vertically so that they will turn. Little pixies ride on these snowflakes.
10. Baskets — cut in animal shapes out of paper, or tiny reed baskets to hold the many candles that are to be given out to friends.
11. Angels—cut out of white paper.
12. Little bells—half circles of shining paper, folded to resemble bells, strung three in a row for a mobile.
13. Birds—folded paper birds, enclosed in tiny straw cages.

Other Christmas Traditions

1. Bundles of straw are placed out in the trees in order to share Christmas with the birds.
2. Visitors — the day before Christmas one goes to the homes of friends with tiny gifts—be careful, you must taste all of the candy and cakes in the house or you will carry the spirit of Christmas out of the home with you.
3. After Christmas is over, the tiny pieces of candles remaining in the tree are lit. Each member of the family gives his name to several candles, and, sitting in the dark the family watches as one by one the candles go out. The candle lasting the longest wins its owner a prize—of delight!

The giant squid, a true monster of the deep, reaches a total length of 50 to 60 feet.

Credit Earnings Up To $4200 On Social Security

"Beginning January 1, 1955, earnings up to $4200 a year will be credited to an individual's social security account," Mrs. Mercia Leton Kahn, manager of the Mission social security office, declared today.

This means that both employees and employers will be taxed 2 per cent each on wages up to a maximum of $4200 annually. A self-employed individual will pay 3 per cent of $4200 for his taxable year.

Although an individual will be paying a little more social security tax, it will mean increased benefits to him and his dependents or to his survivors upon retirement or death.

Benefits based on average monthly earnings up to $350 are first payable in 1956 provided the retired or deceased worker has earnings at an annual rate of at least $4200 in 1955 and 1956.

For example, an individual and his 65-year-old wife who retires in July 1, 1956, will be eligible for $162.80 monthly, as compared to the present benefit rate of $147.80 monthly. This worker must have had an average monthly wage of $250 in 1955 and for the first six months of 1956.

The widow and two children of a person who dies on July 1, 1956, and who had the same average monthly wage of $350 will receive $200 a month until the youngest child reaches 18. The total amount payable to this family unit will be $200.

"It will be seen from the above examples that raising of the maximum creditable to one's social security account to $4200 a year will mean increased benefits for the worker and his family," Mrs. Kahn said.

Local Man Made Honorary Member Thai Air Force

BANGKOK, THAILAND—First Lieutenant Donald C. Cummings, son of Mr. and Mrs. Don C. Cummings, Daly City, a pilot with the 26th Fighter Interceptor Squadron, was made an honorary member in the Royal Thai Air Force recently during a goodwill visit to Thailand.

The wings of the RTAF were pinned to his tunic by Air Chief Marshall Ronnie, head of the Royal Thai Air Force.

Lieutenant Cummings was a guest of the Thailand government along with Maj. Gen. Roy H. Lynn, vice commander of the Fifth Air Force in Japan and Brig. Gen. William L. Lee, commander of the Thirteenth Air Force in the Philippines, who officially represented the U. S. Air Force at the King's birthday celebration.

From Clark AFB in the Philippines, a squadron of F-86 Sabre Jets played a role in the festivities by putting on a short air show during the opening of the Constitution Fair which runs in conjunction with the King's birthday.

The F-86s flew non-stop from Clark to the capital of Thailand, a distance of 1147 miles.

Holiday Furor, Dark, Traffic Add Up To Hazards

Pre-holiday shopping hurry, earlier darkness and traffic clogged streets add up to more hazards in the last weeks of December.

This warning came today from the San Francisco Chapter of the National Safety Council as a reminder to "Take time for your Safety."

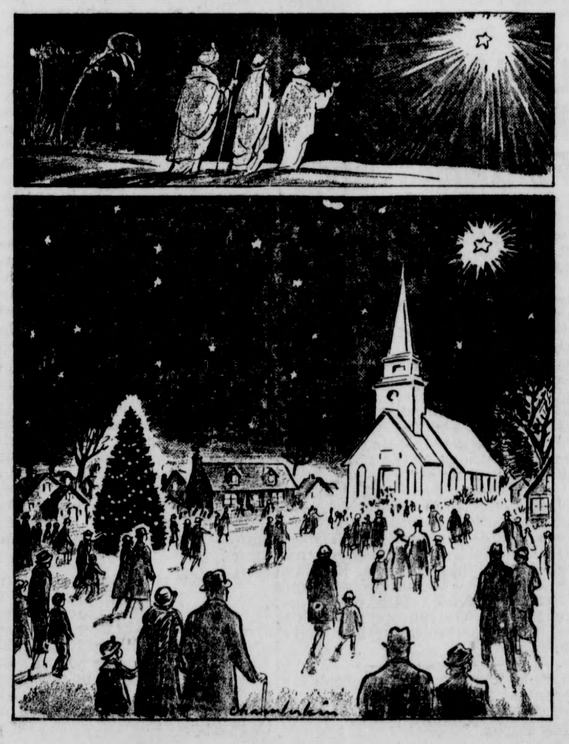
The big nation-wide S-D (Safe Driving) Day effort is still paying off in increased care by pedestrians and motorists, Chapter officials believe. But each day since there have been too many unnecessary local accidents.

"Discourtesy, exemplified by the "me first" attitude of modern motorists, is the real reason," charges J. Warnock Walsh, chairman of the recent S-D (Safe Driving) Day event.

"Too much speed, jaywalking, violation of the right-of-way and drunk driving, lead all accident causes. Each of these is stupid and thoughtless. Any of them can result in a horrible death or injury," the S-D Day leader declared.

Walsh urged motorists and pedestrians: "Live up to the spirit of this Christmas season. Walk and drive by the Golden Rule. It is the best rule ever written and if it were applied to traffic there would be no accidents."

'SILENT NIGHT . . .'



Season's Greetings
and Best Wishes for a very
Merry Christmas to All.

Letters To The Editor

PUBLICITY AIDED SAFE DRIVING DAY

Gentlemen:

On behalf of Chief R. A. Petrocchi and myself, I would like to express my gratitude for the very fine cooperation you gave the Daly City police department during the S-D Day campaign by publicizing this day so completely.

Without your assistance, we would not have achieved the goal which we did attain.

Yours very truly,
HENRY SUNDERMANN
Inspector of Traffic

SHOPPING BLOCK

News of Your Local Businesses and Business Men

By Jane Keith

Be sure to order your Christmas Fruit Cake ($1.25 a pound), pies, cake, bread and rolls NOW from the RELISH BAKERY! They will be closed Christmas Day.

HILLTOP MARKET, as we say periodically throughout the year—(and with feeling each time we say it—and gratitude), will be OPEN Christmas Day and every other day of this and the coming year! This HILLTOP MARKET service is not "happenstance," but the result of planning by George Glass who wanted a supermarket, sure, but one top heavy in service—rather than personnel; Thank you, George!

The same type of planning and concern with service is evidenced by the Saturday "pressing," etc., done by Hal and Mae Willis, owners of the DALY CITY CLEANERS. Because they do their own work—and like it, too—they are able to offer such service on Saturday—a thing unheard of in many other cleaning establishments! The DALY CITY CLEANERS is located at 6287 Mission, call Plaza 5-5261.

GEROLD'S LIQUOR STORE, at 6379 Mission street—telephone Plaza 5-9964, has a wonderful selection of gift decanters—fine wines—and a host of other gift items for your last minute Christmas shopping list AND for New Year, too! We can't say that GEROLD'S stock is more complete now—or that their service is any better because of the holiday season because GEROLD'S owners, Bob White and Herb Bethe, are tops in both all the year round!

TOYLAND NURSERY SCHOOL, located at 474 San Diego avenue—call Plaza 5-8440, held its fourth annual Christmas party on Tuesday, December 21—to the great delight of it forty children and a host of parents, relatives and well wishers. A light supper was served the regular students and later, after Santa had distributed presents, there were festive refreshments for one and all. . . TOYLAND NURSERY, staffed by nine professionally trained teachers, is the only full day nursery school in this area. It enrolls children from ages 2 to 6 years of age and is open from 7 a.m. to 6 p.m. five days a week throughout the year.

Santa's visit, Saturday, to the DALY CITY PET SHOP was a huge success—as were the magic tricks of Jefferson Hi's Bob Stone who held a group of at least twenty children enthralled with his tricks. Pet shop owner Laura Coleman provided free lollipops and balloons and had the store really "Christmased" up—huge tree and all! (Santa—otherwise known as Martin Kezmark—had a rough time with his lunch at the THEATRE GRILL, however. . . . Between his fullsome, foam rubber tummy trying to get up to the counter—and the admiring stares of several youngsters there at the time—he just "didn't enjoy his lunch much!"—no fault of the Grill.)

Be sure to "Dig those KRAZY MIXED UP KEDS" just in at WEITZEL'S SHOE STORE, in Broadmoor! No two pair alike—the right and left shoe do not match—and they look like a crazy quilt with their five colors in each shoe! Sizes to 12 are $2.95, from 12½ to 3 $3.45. . . . Larger sizes for teeners and mother will be in later and natch—they'll snatch at the chance to buy 'em or we miss our guess!

Don't forget that KIDDIEVILLE, in Broadmoor, is—in addition to being one of the finest children's clothing stores in the area—also a store where you many purchase fine toys, children's furniture, wheel toys, etc. For gifts to girls between 4 and 10 years of age—see KIDDIEVILLE'S supply of suitcases in plaids or plain colors priced from $1.98 to $4.98—and strong and sturdy enough to be used for real overnight bags by their recipients.

LESLIE'S DRESS SHOP is THE place for stunning gift wrapping! Bill and Florence Rubino have used felt—yarn—styrofoam—ribbon and what have you for packages you would want to keep (even if they happened to be empty!) and that is really the ultimate compliment!

AND may we urge you late shopping men to see LESLIE'S DRESS SHOP supply of Darlene and other sweaters, lingerie, slacks, dresses and jewelry! Whatever you choose here as a gift—you may be sure it will be "right"—(and that means pricewise and giftwise).

Cleverest candy packaging we've seen this year: SHAW'S CANDY STORE'S red headed, clear cellophane Canes (2 feet tall) filled with colored foil wrapped coffee blacks or 49er mix and priced at just $1.25 each.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Due to illness there won't be a regular column this week. All of you who called in news please bear with me and I hope to be able to have it for you next time. In the meantime I just have to wish one and all and especially my boys who are all over the world this year, a Merry Christmas. So here goes:

* * *

My Wish For You

What Could I wish You More
What could I wish you more dear friends,
Upon this Christmas morn,
Than that within your heart each day
The Christ of Love be born?
That you may walk wtih courage strong
Though clouds hide Heaven's Blue,
And reach a hand to those less brave,
Their courage to renew.
That wheresoe'er your footsteps lead,
The flowers of hope may spring,
And in the hour when flesh is weak
Hear God's strong angels sing
That you may be a light to all,
One whom God's Light shines through.
Then all Love's Kingdom shall be there—
This is my wish for you.

* * *

It has most certainly been a pleasure hearing from and talking to so many of the folks this last year. May all of you have the merriest of Christmases and remember the real reason for the day. Let's all go to the church of our choice and as Tiny Tim says, "God Bless you one and all." Until next week then, 'Bye now!

Read Hebrews 1:1-9.

Glory to God in the highest, and on earth peace, good will toward men. (Luke 2:14.)

Wise men of the East followed the light of the Christmas star. They followed its leading, and came, and found the Christ Child. To God they gave glory.

Who gives God glory now? Do scientists? inventors? producers? distributors? poets? philosophers? planners? Have the wise men of old descendents among men today?

In the face of the thought that another war would be fought with deadly atomic weapons, we look to the living Christ as our hope for peace. In Him we become filled with hope. In His strength we do not feel so helpless or so hopeless that we cannot undertake measures that will make for peace.

Glory to God comes first before there can be any peace on earth. Only when the whole world sings from the depths of humble and contrite hearts, "Glory to God in the highest," are we ready for "peace on earth, good will to men." The glory to God that puts man in his place will make brothers of us all. Peace on earth will then follow.

PRAYER

O God, help us to keep our eyes and attention on Thy glory. Through us reflect the light of Christ to a world groping in darkness, doubt and uncertainty. Use us to lead others to accept Thy salvation offered through Christ. Amen.

THOUGHT FOR THE DAY

Glory to God comes first before there can be any peace on earth.

TELL 3 COURSES FOR BROADMOOR

Incorporation, annexation to Daly City or status quo?

These appeared the three choices laid before a citizens group meeting Monday night at Colma fire hall, with representatives of Broadmoor, Garden Village and Sterling Park on hand.

Gathering with the avowed purpose of stopping adjacent communities from encroaching on the Broadmoor police district boundaries, the 17 citizens heard Attorney Thomas Jenkins explain the only way to block boundary movement was to incorporate to a sixth class city. Then he listed the other two courses of action—annexation to Daly City or remain an unincorporated community.

Broadmoor Property Owners association was represented by Vince Cauchi, while Sterling Park and Garden Village also had delegates on hand.

No definite plan of action was formulated at Monday's meeting, but future meetings will be held on the incorporation topic.

Mercian Teeners Hold First Dance

The Mercian teen-age club held its first dance Friday night in the Westlake club house. The Christmas party dance was highlighted by a bop contest. Refreshments were served and two door prizes were given away.

The officers and members thanked all those who contributed in any way to help make the dance such a success, and especially the Westlake Catholic Women for their valuable assistance.

The next meeting of the Mercian club will be Tuesday, January 4, at 7:30 p.m. in the Westlake Medical Building. There will be dancing following the meeting. Members are asked to note that meetings will now be held on the first and third Tuesdays of each month.

All teen-agers in the Westlake area and Our Lady of Mercy parish have been cordially invited to attend the meetings and to join the Mercian club.

Total Of 250 Kids Participate In Hillside Program

A throng of 250 youngsters participated in the Hillside PTA's Christmas program last week at Colma school.

Under the direction of Mrs. Muriel Vint, music coordinator, the girls choir of seventh and eighth graders presented three Christmas songs and the fifth and sixth grade glee club sang Christmas carols.

The second grade presented a Christmas skit, "Santa's Workshop," under the direction of Mrs. June Bartell and Mrs. Carol Cherry. Richard Snyder presented a wood wind octet and a brass quartet which was reported enjoyable.

The girls glee club, under direction of Mrs. Julia Burr, sang with an accordian trio, presenting Christmas selections.

The evening's program concluded with a community sing led by a mixed seventh and eighth grade glee club under supervision of Gordon Walters, and accompanied by the accordian trio, assisted by Snyder.

Refreshments of home made cookies and punch were served at the end of the meeting.

Hope Lutherans Again Conduct Candlelight Service

Ushering in the Feast of the Nativity of Our Lord, Hope Lutheran church will again this year conduct the traditional midnight candlelight service on Christmas Eve, December 24, at 11 p.m. in the Broadmoor community center, White street, near 87th in Broadmoor Village.

The service will consist of the reading of prophecies of the Old Testament foretelling the coming of a Messiah as the Redeemer of the World, and the New Testament portions of the Christmas Story telling their fulfillment.

Music will be sung by the congregation and by the choir. The candlelight processional will be followed by the singing of the favorite carols and hymns of Christmastide. Among the choir selections are "Four Slovak Christmas Carols," the traditional English Coventry Carol "Lullay, Thou Little Tiny Child," and the choral from J. S. Bach's Christmas Oratorio, "Break Forth, O Beauteous Heavenly Light."

At the climax of this Christmas Eve service, candles will be distributed to all the assembled congregation for the ceremony of lights. The people of the community, Rev. Marting announces, are cordially invited to participate in this Christmas Eve service.

NATIVITY FEAST OBSERVANCE FOR HOPE CHRISTMAS

The Feast of the Nativity of Christ will be observed on Christmas Day in a special service at Hope Lutheran church, temporarily worshipping in the Broadmoor community center, White street near 87th.

The Christmas Day service will begin at 10 a.m. The sermon by the Rev. Louis C. Marting, pastor of Hope church, is based on a text in the First Epistle to Timothy, chapter 3, verse 16: "And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the spirit, seen of angels, preached until the Gentiles, believed on in the world, received up into glory." The theme of Pastor Marting's sermon is "The Magnificent Mystery of Christmas."

A service will also be held the second Christmas day, Sunday, December 26, at 11 a.m. Speaker for this worship will be the Rev. John E. Marozik, Pastor of Redeemer Lutheran church, Redwood City, California.

CHRISTMAS EVE CANDLELIGHT RITES AT LUTHERAN

Special candlelight services will take place on Christmas Eve at 8 p.m. at Lutheran Church of Our Savior, with all four choirs participating. No worship will be held on Christmas day.

However, on Sunday, at the regular morning services at 10:45 a.m., confirmation will be held. The Rev. Luther M. Schliesser, pastor of the church, will preach on "Lasting Christmas Gifts." Mr. Schliesser has taken a new step to bring the church into the homes of people by mailing a midweek bulletin. A little map on this publication shows the exact location of the church.

Observe Festival Of Christmas At Lutheran Church

The Festival of Christmas will be observed at Bethel Lutheran church, Alemany boulevard and Huron avenue, with a Christmas Vespers on December 24 at 7:30 o'clock.

Ira Price, organist, will render Christmas music on the organ and chimes beginning at 7:15 o'clock. The general theme of the service is "Prophecy and Fulfillment."

In the course of the service, the four "Prophecy Lights" placed in an "Advent Wreath" will be lighted.

Mrs. Pearl Makela will serve as vocalist and sing "O Holy Night."

A brief Christmas meditation will be given by the Rev. Herbert P. Schroeder.

The Christmas Day Festival service will be held at 10:30 a.m. The junior choir will sing under the direction of Miss Gladys Schultz. The choir will wear the robes which have been presented by Mr. and Mrs. Lee Towry in memory of their children. "Bethlehem and It's Good News" is the subject of the sermon to be delivered by the pastor.

Second Christmas day will be observed on Sunday, December 26. Sunday school and adult Bible class will be conducted at 9:30 o'clock. Divine worship begins at 10:45 o'clock.

Crocker Regular Meeting, Christmas Party Held Tuesday

Crocker PTA held its regular meeting and annual Christmas program Tuesday evening. Mrs. Clara Sirex, past president of 17th district, gave a talk on the traditions of Christmas.

The Glee club, under Mrs. Muriel Vint, sang Christmas Carols. The fourth grade pupils, directed by Mrs. Dolores Hawkins, enacted a Christmas skit and the carol singers were reported enjoyed by all. Refreshments were served to the children upstairs and to the grown-ups downstairs. With construction and remodeling under way the attendence overflowed the library.

The executive board meets January 4 at 1:30 p.m. Many items of importance are to be discussed, the PTA said. The next regular meeting will be held Tuesday evening, January 11, at 8 p.m. Everyone has been urged to attend.

The teachers' luncheon will be held Thursday, January 13.

Local Reservist Reports January 8 For Training Duty

A. L. Bouffard, 125 Moltke street, Daly City, will report on January 8 for two weeks of Naval Reserve training duty at the U. S. Naval Station, Treasure Island.

While there he will attend the instructor training course. This is a specialized course in which the principles of instructing others are thoroughly explained. Lesson plans are prepared, progress records kept and an evaluation of teaching methods made. Instruction is given in public speaking, the use of training aids and the construction of home made training devices. Several sessions of the course are devoted to practice teaching.

Bouffard is a petty officer in the Naval Reserve and holds the rate of construction driver in the Seabees. He is a member of Seabee Division 12-11, San Francisco, and meets with that group on Monday nights at the training center on Treasure Island. The unit is a part of the reserve component of the Navy's Construction Battalions.

Seymour Paint Winner In Store Decoration Contest

Seymour's Westlake Paint & Wallpaper, 315 South Mayfair, annexed first place honors and $50 cash for the best decorated store in Westlake in contest results announced this week by the Westlake Business & Professional association, sponsors of the competition.

Runner-up was Les Ritchie's Westlake Flying "A" service, Alemany and Lake Merced boulevard, receiving $25.

Third place went to Godfrey's Ice Cream, 383 South Mayfair, recipient of a $15 award.

Kelly's Shoe Repair, 343 South Mayfair, received a $10 prize for placing fourth.

Judges were Daly City Mayor Joseph Verducci, Fire Chief Elmer Kennedy and Don Hughes.

Awards will be presented at the next meeting of the merchants' group, to be held Tuesday, December 28, at the Westlake Lounge, beginning at 8 p.m.

Merchants extended thanks to the judges for their time and efforts.

SCOUT TROOP 248 HOLDS ANNUAL XMAS PARTY

Boy Scout Troop 248 held their weekly meeting last week and prepared plans for the Christmas party held yesterday at the clubhouse. This affair consisted of movies, games, refreshments and exchanging of presents. All the Scouts brought a gift to the meeting and exchanged it with another Scout. Each Scout brought one boy to the party that is interested in scouting, as guest of the troop.

Assistant Scoutmaster Ralph Gumbinger discussed patrol meeting methods with the troop, pointing out activities the patrols can conduct at their own meetings in conjunction with the troop theme and activities for the coming months.

Assistant Scoutmaster Mel Wilner was in charge of the game period which was enjoyed by all the scouts.

While the troop meeting was in progress, Scoutmaster Al Belotz interviewed each scout present securing necessary information which will help in the reorganization of the troop.

There were 18 boys present at the meeting, consisting of scouts and boys interested in joining the troop. The following scouts were present: David Conci, Kit Leslie, Gary Mylin, Bruce Ladner, Bruce Wilson, Paul Hanley, David Dunbar, Mike Silberstein, Frank Vlahovich, Avie Katz, Ronald Laurie, Dick Ellis, Ken Franges, Mike Shanahan and Mike McGovern. New boys interested in joining the troop present were Phil Ziegler, David Bosbery and Larry Harper.

After the troop meeting was dismissed, Assistant Scoutmasters Gumbinger and Wilner had a meeting with patrol leaders David Dunbar, Mike Silberstein, Paul Hanley and Bruce Wilson. Patrol skits for the Christmas party and patrol activities were discussed by this group.

While the patrol leaders meeting was in progress, Scoutmaster Belotz met with the following older scouts: David Conci, Kit Leslie, Gary Mylin, Bruce Ladner and visitor Larry Harper. Formation of an Explorer crew in the troop and appointment of junior leaders were the topics of discussion of this group.

Mr., Mrs. S. Claus Visit Bayshore, Midway Parties

Two of the guests of honor at the Bayshore and Midway schools Christmas party on Friday were Mr. and Mrs. Santa Claus, who arrived at the Bayshore school auditorium to find they were to be entertained by the school children and the Bayshore PTA.

When Mr. and Mrs. Claus arrived in the auditorium, a hush fell and the hall was dark. Then the stage curtains parted to reveal the school choral group, under the direction of Miss Charlaine Seivert, softly commence the "Silent Night" and the other well known Christmas heralds.

"If Santa was surprised, it was nothing to compare with the next honor paid to him and the children, the PTA said, for Mrs. Newman Jones, chairman of the party sponsored by the Bayshore PTA, introduced as her next guest, Lady Frances, professional magicienne of stage, radio and television fame. Since 1946, Lady Frances has toured the United States, Canada, West Indies, South America, and the Bahamas, performing her tricks of magic, plus being on such noted television shows as, Bert Parks, Woody Herman, Peggy Lee, Del Courtney, and Ed Sullivan's Toast of the Town.

To keep over 600 children completely spellbound is no easy trick in itself, but Lady Frances had them awed as she went through one magic trick after another, the PTA said. As her show neared its close, she brought out her partner, a lovely blue and gold macaw from South America, named Trouble. He also had his feats of magic which consisted of playing sleep, pulling out cards from a deck, and holding the American flag in his beak.

As her assistants, Mrs. Jones had the following Navy mothers from Midway Village: Mrs. Ray Kester, Mrs. Jack Semmelrath, Mrs. Louis Stockwell, Mrs. Joseph Zvirblis, Mrs. Don Simth, Mrs. Martin Schleuter, and Mrs. Francis Gilcrest. This group of Navy mothers have taken charge of two events in the Bayshore PTA and members present expressed their thanks for a job well done.

Next executive board meeting to be held is January 3 in the teachers lunchroom.

LOCAL MOTELMAN AT BOARD MEETING OF ASSOCIATION

Ed Hesser, vice-president and acting president of the California Motel association, reports that at a special meeting of the board of directors held in Bakersfield during the weekend, Grover C. Swart was chosen a full-time executive secretary for the Association.

Swart has been retired for the past five years and was secretary-manager of the North Hollywood Chamber of Commerce for eight years prior to his retirement.

The state association was well represented at the meeting. Among board members attending was Hugh Smith Jr., Mission Bell Motel, Daly City.

PACK 241 ENJOYS CHRISTMAS PARTY

Five dens of Cub Scout Pack 241 gathered Friday for their Christmas party.

Members of Den 3 formed a choir and rendered Christmas carols at the party, held at the Westlake clubhouse.

A good crowd of 75 turned out for the activity, presided over by Robert Klinger.

SANTA PAYS VISIT TO CUB PACK 63

Santa Claus visited Cub Pack 63 last Friday and handed out presents, candy canes, cupcakes and balloons.

Christmas carols were sung by the Cub Scouts and their parents and a gala time was had by all, officials said.

Cub Master Otis Simonsen introduced two newcomers to the city, Mr. and Mrs. William Shelver.

Mr. Shelver has accepted the assistant Cubmaster's office and Mrs. Shelver the secretary position.

Mr. and Mrs. Shelver have had a great deal of experience in Cubbing and the pack is very fortunate to have them, according to Simonsen. The pack is in need of den mothers, he said. Any mother of a Cub Scout in Pack 63 who would like to assist may contact Simonsen, PL. 5-3015.

MERCED AUXILIARY GREETS 2 MEMBERS

Welcoming two new members into their group, Mrs. Cleora Read and Mrs. Hilda Park, the Ladies Auxiliary to the Lake Merced Post 9921 VFW, held initiation and completed a busy holiday schedule of hospital and youth activities with a party for the members at the Broadmoor community center recently.

Named to the important civil defense disaster representative group for the area are Mrs. Stella Magoon and Mrs. Hazel Eagleton.

Outdoor telephone booths get new look

Here's the kind of telephone booth you'll see us using in many outdoor installations from now on. And we think you'll like it a lot. Instead of wood, it has a silvery-white aluminum frame, with big glass panels that will give you better lighting. You'll also find it roomier and better ventilated than the wooden models. These handsome new booths cost less to take care of, too . . . and last longer. They help us bring you more and better telephone service at low cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Save time—check doubtful numbers before you call

Lots of times—especially when people are in a hurry to talk to someone—it's a temptation to call a telephone number they're not quite sure of. But studies we've made show that a caller often winds up getting the wrong party in cases like this. For memory can play strange tricks with telephone numbers. And, of course, this means inconvenience and wasted time. That's why we suggest you look up numbers in your directory whenever you're in doubt about them. You'll complete your calls faster and save yourself a good deal of trouble in the long run.

Here's hoping you enjoy a Merry Christmas and a Happy New Year

As another year draws to a close, we hope we've been able to bring you the kind of telephone service during 1954 that you want and like—fast, dependable, courteous. And we intend to do all we can to make it even better during 1955. Meanwhile, all of us here at Pacific Telephone join in wishing you and your's the best of everything during the Holiday Season. **Pacific Telephone.**

CAKE AND COFFEE time for vets at Letterman General hospital is provided by Mrs. Lee O'Niell (left), chairman of veterans' welfare, and Mrs. Albert Diebel, co-chairman. The Daly City Eagles Auxiliary served the patients ice cream and cake and provided entertainment at the recent Christmas party. Veteran pictured is Cpl. Ewell Crownover.

Eagles Auxiliary Hold Christmas Party For Veterans

Mrs. Lee O'Niell, veterans' chairman for the Daly City Eagles Auxiliary, reported the Auxiliary recently held their fifth annual Christmas party for two wards of patients at the Letterman General hospital.

Those present to help the chairman, Mrs. Lee O'Niell, and co-chairman Mrs. Alberta Diebel, were Mesdames Mildred Dunn, president, Jean Blankenhorn, Donna Almquist, Mary Voboril, Marie Claussen, Helen Sievers, Eva Grubb and Jackie Malinoff.

Mrs. Dona Almquist announced entertainment was provided for the patients by the Mason Kahn Dancing Studios.

Members of the Auxiliary donated home made cakes, which were presented by those present, along with ice cream, coffee, and a box of Christmas candy to each of the patients in the two wards, Mrs. O'Niell stated.

Gaily colored filled utility bags were presented to patients in the Neuropsychopathic Ward, Mrs. Diebel said. She also expressed her thanks to all who donated articles which helped to fill the bags.

Cartons of cigarettes which were donated by McGraw's Pharmacy, Daly City Pharmacy and Lee's Drugs, were gratefully acknowledged by Mrs. Mildred Dunn, the madam president of the auxiliary.

The madam president also expressed gratitude to the Mason Kahn Dancing Studios for providing entertainment.

Hebrew School Of Temple Transfers To Music Building

According to Dr. Michael M. Zarchin, chairman of Westlake Temple Religious school committee, the Hebrew school of the Westlake Temple Group has been transferred from Congregation B'nai Israel to the Westlake School of Music, 95 South Mayfair avenue. Parents having children nine years of age and over are requested to register their children now!

Dr. Zarchin stated, "One-day Sunday school is absolutely inadequate to make a child a conscientious American Jewish citizen. A minimum of a three-day Hebrew school is essential for a proper Hebrew training."

He urged, "Please avail yourself of this rare opportunity!"

Classes start at 3:45 and last until 5:15 on Mondays and Wednesdays. If necessary, new classes will be organized to accommodate all new children registered in the Hebrew school, he said.

Burglar Gets Two Furnaces Worth $400

New Mission Heat company, 7401 Mission street, was broken into by burglars last Thursday and two blower-type furnaces were stolen.

Police said value of the loot was $400.

The culprits by-passed 19 other furnaces stored at the establishment's basement, police said.

Prominent Attorney Named Chairman Of Jewish Fund Drive

Samuel A. Ladar, prominent San Francisco attorney, has been named chairman of the Jewish Welfare Fund's 1955 campaign, it was announced by Fund President, Walter D. Heller, at the organization's annual meeting Thursday.

As campaign chairman, Ladar will head a corps of several hundred volunteers in the drive to raise funds in San Francisco, Marin and the Peninsula for more than 50 local, national and overseas health and welfare agencies.

In accepting the campaign leadership, Ladar emphasized the importance of giving generously to the many causes affiliated with the Jewish Welfare Fund. "One gift must not only serve our local Jewish community," he said, "but must also meet the great humanitarian programs among Jews overseas. We must not fail to meet our responsibilities to our own people, whether here or abroad."

Ladar traced his interest in Jewish community welfare work to his early years spent at Pacific Hebrew Orphan Asylum, predecessor of Homewood Terrace, Jewish child care agency. Later, before he entered law school, he became active in the Young Men's Hebrew association, fore-runner of the Jewish Community Center. Shortly after he embarked on his law career the San Francisco Committee for Service to Emigres was organized to aid the first German refugees to this country. He became one of its first committee members.

A former director of Jewish Family Service Agency, he has served for the past year as Northern California chairman of the Joint Defense Appeal for California, the fund-raising agency for the American Jewish Committee and the Anti-Defamation League of Bnai Brith. At present he is chairman of the San Francisco Chapter of the American Jewish Committee, chairman of the San Francisco Committee for Service toEmigres, director of Mt. Zion Hospital, and a member of the Jewish Community Relations Council. He is also vice-chairman of the San Francisco Area Committee for the American Jewish Tercentenary, commemorating the 300th anniversary of Jewish settlement in America.

In addition to his activities in the Jewish community, he is also a director of Infant Shelter, and a director of the United Crusade, where he serves as chairman of the organization's Labor-Management Committee.

In the Jewish Welfare Fund's 1954 drive, he acted as chairman of the Business and Professional Division.

The program of the annual meeting also included election of members to the board of directors. New members elected to a 3-year term are: Mrs. John C. Altman, Joseph Blumlein, William Green, Louis Miller, David Rosenberg and Mrs. Murray Warshauer. Re-elected to a 3-year term are: Edward Bransten, Jr., Edward Debs, Lloyd W. Dinkelspiel, Jack Goldberger, Richard N. Goldman, Louis H. Heilbron, Walter D. Heller, Louis Honig, Tevis Jacobs, Joseph Levitin, M.D., Cyril Magnin, Sidney Rudy, Jacob Shemano, Robert E. Sinton, Abraham B. Sirbu, M.D., Frank H. Sloss, Joseph SlossJr., Carl W. Stern and Benjamin H. Swig.

FIRE CHIEF TELLS PRECAUTIONS FOR "GATHERING OF CLAN"

The "Gathering of the clan" traditional at Christmas is a pleasant custom, but calls for special fire safety precautions, Fire Chief Elmer Kennedy said today.

"For several days each year, this custom fills many homes with more people than normally live there. All are in a holiday mood, which may make them less careful than usual," Kennedy pointed out.

Kennedy listed the following precautions to bear in mind before guests arrive:

1. Supply plenty of ash trays.
2. See that the stove is clean.
3. If some of the guests will be children, put all matches, cigarette lighters and other dangerous objects out of their reach.

If you contemplate winter trips into areas where freezing conditions prevail, it is advisable to have a good anti-freeze solution put in the radiator when the first cold snap occurs, says the California State Automobile Association. Don't wait to lock the barn after the horse is stolen.

BROADMOOR SCOUT IS FOURTH TO ATTAIN COVETED EAGLE RANK

Despite the heavy rainfall, over 200 Scouters, their wives and guests gathered at the Sharp Park school recently for the second annual recognition dinner of the northern district. Primarily to do honor to the many volunteer Scouters of the area for their services to boyhood, and to elect officers for the ensuing year, it was the largest and most inspiring gathering of Scouters ever held in the district.

Principal speaker was Scout Executive Rebel L. Robertson. "This district" he reminded the group, "is rich in its lore of western life, rich in the memory of early day pioneers who gave much to our present way of life, and rich with the promise of great things to come. And tonight we salute those volunteer leaders who make these new adventures and new frontiers available to boys."

Awards, Keys

Scouters' awards and keys were presented by Scout Commissioner William B. Platt, affectionately known as "Uncle Bill" to thousands of boys and leaders throughout the Council. Awards went to Joseph B. Wargo, Orrin K. Wolary, Milton E. Enderlin, William Boyd Sheldon, Hubert J. Straubhaar, Thomas J. Curtis, Eugene F. Torres, James T. Wilson, Robert Owen, Robert T. Hale, and Mrs. Dorothy Sprague. Ken Hansen, Walter Griffiths, and Ralph Holliday were presented with the Scouter's key. With each award there were some heart-warming comments made on the particular contribution of each person to the total service for Boyhood.

Eddie Dennis
. . . Wins High Honor

Camping awards were presented by William Sheldon, chairman of the district camping committee; veteran awards by Mr. Robert Hale, member of the council executive board from the northern district. Glen O. Smallcomb, president of the San Mateo County Area Council presented appreciation certificates to Mrs. George Elliot, president of the 17th district of the Congress of Parent-Teacher associations for San Mateo, to Dr. Duane Mallison, director of recreation and parks of South San Francisco, and to Joseph K. Leonard, outgoing district chairman, for three years of faithful service to the Sponsoring Institutions of the Northern District.

To several people who had a lion's share in the work which made the whole evening such a tremendous success went thanks badges—Mesdames Lovelle Russell of Linda Mar, Grace McCarthy of Sharp Park and Henry Van Heyst. A thanks badge was also presented to Mrs. Glen O. Smallcomb for her gracious cooperation with Mr. Smallcomb in his generous and unselfish services to the Boyhood of San Mateo county.

Dennis Named Eagle

Of special interest to all present was the Eagle Court of Honor, when Herbert Humber, 25-year veteran of Scouting and father of four Eagle Scouts, presented the Eagle Badge to Eddie Dennis of Broadmoor Village, Troop 84. Eddie's parents, Daly City Councilman and Mrs. Edward Dennis, stood with him during the special ceremony which made him the fourth Scout in the northern district to earn the coveted Eagle rank.

Wave after wave of applause sounded throughout the auditorium as retiring District Chairman Joseph Leonard read the names of the sponsoring institutions of the various Cub Packs, Scout Troops, and Explorer Units of the district. As each institution was named the representative stood up to acknowledge the spontaneous tribute to his Institution for its share in making the Scouting program available to the youth of the Northern district.

Elected to succeed Leonard as chairman of the district was Robert L. Coss, war veteran from San Bruno. Recommended to the Council nominating committee to again serve on the Council executive board were Dr. J. C. McGovern, Robert Hale, and Willard Engvall; Lent Haff and Orrin Wolary were recommended for Council members-at-large. Thomas Jackson, the Reverend Andrew Juvinall, Telford Smith, and Dana Wheeler will serve as district members-at-large. Harold Brown was recommended to the Council executive board for appointment as district commissioner.

The closing ceremony was under the direction of Mr. Vic Rosa, who was dinner chairman. Grateful acknowledgment was made to the Laguna-Salada PTA members and their friends who arranged and served the delicious dinner, and to the prinicpal of the Laguna-Salada school, Donald Himes, who acted as physical arrangements chairman.

Six Donate Blood At SM County Bank

A total of six Daly City residents were credited with giving a pint of blood recently at the San Mateo County Blood bank.

They were: Alfred Grenci, Richard J. Fahy Jr., Jerry H. Jones, Jacob H. Hein, Glenn Penn and Kenneth W. Martin.

A Christmas Prayer
He shall judge thy people with righteousness, and thy poor with judgment.
In his days shall the righteous flourish; and abundance of peace so long as the moon endureth.
The kings of Tarshish and of the isles shall bring presents: the kings of Sheba and Seba shall offer gifts.
He shall spare the poor and needy, and shall save the souls of the needy.
His name shall endure for ever: his name shall be continued as long as the sun: and men shall be blessed in him: all nations shall call him blessed.
And blessed be his glorious name for ever: and let the whole earth be filled with his glory: Amen, and Amen.
...from the 72nd. Psalm

DEMONSTRATIONS DIFFER

What does one want proved about the car one is considering buying?

Probably several things, points out the National Automobile Club, speed, power, silence of operation, flexibility, riding comfort, adequate room, and the like. The thorough-going motor car buyer will ask himself the question in advance of the demonstration and, knowing his city, will map out a route that will give the car a chance to prove its several virtues.

Demonstrations differ, but only when the prospective buyer lets the salesmen know precisely what he wants to learn about the car.

TURNING ON NARROW ROAD

The best way to turn around on a country road or narrow highway is to find a convenient driveway, go past it and back in, says the California State Automobile Association. By maneuvering your car in this manner you come into the road head-on, where you can see traffic approaching from either side. Running into the driveway head-on and then backing out onto the road again gives you no vision of approaching traffic on either side until your car has encroached dangerously on the right of way.

CAR USED IN $1500 SAFE HEIST FOUND AT SHOPPING AREA

Car used in a $1500 safe heist December 13 at a large San Francisco automobile firm was recovered in the Broadmoor shopping center parking area Monday morning by Daly City police.

Check with San Francisco authorities revealed that the abandoned auto was definitely the one used by thugs who broke into the establishment and carried away the safe containing $1500.

The auto, also stolen from the company, provided no clue to the burglars identity, however, since it was wiped clean of all fingerprints, Daly City police disclosed.

DC-COUNTY READY TO HANDLE SF EVACUEE TRAFFIC

The people of San Mateo county are ready, willing and able to take on a lion's share of the job of giving emergency care to their San Francisco neighbors if that city should ever have to disperse its population under threat of enemy attack.

Results of a civil defense survey concluded in Daly City and throughout the county two weeks ago under the supervision of Harry Koch, county coordinator, and announced in Sacramento today showed that peninsula residents could and would feed and house almost half a million "dispersees" in their own homes if the necessity arose, according to the state office of civil defense. The population of San Francisco, according to the 1950 census, is 775,357.

A preliminary report just completed on the survey showed that theoretically, on the basis of presently available facilities, a total of 827,223 persons could be sheltered in the peninsula's hotels, motels, private dwellings, theatres, schools, churches and similar structures and in areas in which automobiles could be temporarily parked where water and sanitary facilities are available. On the basis of the current census, this figure would indicate the county's ability to absorb two and one half times its population in an emergency.

Emergency Feeding

In addition, the studies showed that slightly over 1,290,000 persons could be provided with emergency feeding facilities in restaurants, private homes, congregate shelter buildings and in the car park areas, according to the report. Complete clothing outfits for men, women and children could be provided for 113,065 persons. Medical facilities and the county's capacity to take care of the wounded and sick casualties also were surveyed but these results have not yet been collated.

Some 6000 private homes throughout the county were contacted in a "sampling" operation by local volunteer workers who asked householders whether they would be willing to shelter refugees from San Francisco in case of a threatened or actual attack, and if so, how many they would be able to shelter and/or provide emergency meals. Of those homes surveyed, only 75, or 1.3 per cent, indicated inability to take in refugees from a disaster area. In addition, all public and private facilities that might be used or adapted for emergency mass care purposes were enumerated in the survey, which was primarily a "pilot" study to help determine how such potentialities might be measured in communities throughout the state. Inasmuch as parts of San Mateo county might be affected by an enemy strike on San Francisco, use fo the entire facilities reflected in the survey could not be counted on entirely, it was pointed out.

Nevertheless, Robert A. Jakoubek, chief of the evacuation and welfare services of the state civil defense ofice, who headed a group of specialists from the state organization assisting local CD and civic organizations in making the survey, had high praise for the Peninsula public's cooperation in the study and their expressed willingness to assume their share of community responsibility in disaster. "The knowledge that the people of San Mateo county are prepared and willing to take care of them in such a large scale disaster emergency should make a fine Christmas present to the people of San Francisco. It is in keeping with the finest humanitarian spirit of the season," he said.

DRUNK DRIVERS ARE JAIL BOUND

"Any drunk driver found in North San Mateo county area will go to jail!"

This was the flat declaration of Captain John W. Kennedy today when discussing holiday traffic control problems in San Mateo county.

Captain Kennedy explained that year after year the greatest problem in holiday traffic enforcement is created by those drivers who insist on driving after drinking.

"It has been scientifically proven that two highballs or two bottles of beer can dull reactions, disturb vision and slow reflexes enough to create traffic accident hazards.

"The answer is simple," the Captain pointed out, "if you drive, don't drink; and if you drink, don't drive."

In an all out effort to maintain safe highways through the holidays Captain Kennedy announced that every available Traffic Officer and every available piece of equipment will be on duty during holiday traffic peaks.

EFFICIENCY AND ECONOMY

It is much better to take depreciation a little at a time than all at once, points out the National Automobile Club. The owner who takes it all at once allows inefficiencies in performance to accumulate to a point where a real, complete overhaul is necessary.

The owner who prefers the other method of absorbing depreciation takes the car to the service station regularly or himself remedies the minor maladies as they develop. Considering the infinitely better performance at smaller cost that this system nets, the other is a false economy that should be avoided.

India and Brazil are the largest producers of sheet muscovite mica.

SECOND OF SIX SIREN TESTS SET FOR MONDAY

The second in the current series of six siren tests, as suggested by the State Office of Civil Defense, will be held on Monday morning at 10 o'clock.

The rehearsal is designed to test the city's air raid warning devices for mechanical fitness; check the long-range communications system, and to determine sound coverage and audibility of the sirens.

The general public will not take part in the mechanical fitness drill.

At 10 a.m. Monday, the "red-alert" will sound off with a three-minute warbling blast. Then there will be a moment of silence, to be followed with the "all clear" signal, which will consist of three one-minute steady blasts spaced with two-minute intervals.

Similar tests will be held at the same time in other communities in the State.

UNIONS SUPPORT UNITED CRUSADE

Thomas F. McGuigan, Crusade President and W. R. "Rem" Thigpen, Crusade Campaign Chairman, paid tribute this week to the Unions, Union Members and Production Workers in San Mateo County cooperated wholeheartedly in this years United Crusade Campaign.

Thigpen stated, "The active cooperation by unions and union members in this years campaign demonstrates the awareness on the part of organized labor of pressing community problems and a sincere desire on their part to assume their responsibility to the community." He also pointed out that four out of five families in San Mateo County would benefit directly by help from the United Crusade during the next year, since all contributions are only allocated to San Mateo agencies.

Workers in San Mateo County firms and plants realize that agency services benefit them and the United Crusade has seen a great up-surge in union and union member contributions.

Both the AF of L and CIO recognize and actively suport the United Crusade and union leaders have given impetus to successful campaigns in the plants. This year, workers alone gave over $100,000. to the United Crusade.

Griller Quartet To Appear At SFS

The Griller Quartet will appear in an admission - free concert on Tuesday, January 4, at 8:15 p.m. in the Main Auditorium of San Francisco State College, Nineteenth and Holloway Avenues. This special performance is one of the regular Artists' Series and due to Naoum Blinder's illness replaces the San Francisco String Quartet concert previously scheduled at this time.

As the third chamber music concert of the season made possible through the May T. Morrison Trust Estate, this presentation will feature Mozart's Quartet in D Major, Bela Bartok's Quartet No. 2, Op. 17, and Beethoven's Quartet in G Major, Op. 18, No. 2.

The Griller Quartet came to this country from London, England, and after several tours of the United States is now established at the University of California. The Quartet has achieved international recognition, having been invited to participate in major music festivals throughout Europe and America.

Members of the Griller Quartet in addition to Sidney Griller, First violinist, are Jack O'Brien, second violin; Philip Burton, viola; and Colin Hampton, 'cello.

Re-Styled Packard, Clipper Models

Packard and Clipper models for 1955 have been completely restyled and are new in every major mechanical feature, Peter Venturino, local Packard dealer said upon his return here from a national dealer preview in San Francisco today.

Representing the culmination of a 30-month program to recapture a portion of Packard's former prominence in the fine care field, the 1955 models are scheduled for public introduction in January. Packard already has 20,000 advance orders.

Venturino said that company economists pointed to a 5,6000,000 a year for new car sales for the auto industry in 1955. Packard dealers are in a stronger position to compete for what shapes up as a bigger market potential for prestige class transportation, he said.

Production schedules call for 100,000 Packard and Clipper cars during the 1955 model year.

The cars are being built in two new plants, one at Utica, Michigan, for engines and transmissions, and the other in Detroit for final car assembly. The industry's most modern plants, their construction was one of the first phases completed in the Packard program launched two years ago.

At the dealer meeting, it was revealed that the new Packards and Clippers, through development of an entirely new "Torsion-Level" suspension system, will bring to passenger cars the most dramatic improvement in riding quality and riding control since the introduction of front-coil springing in 1934.

TWINS ARE BORN TO DALY CITY FAMILY

Mr. and Mrs. D. A. Themoleas had a double blessed event December 15, with the birth of twins at St Mary's Help hospital.

Named Cynthia and Stanley, the girl weighed 6 lbs. 4 ozs. and the boy weighed 7 lbs. 5 ozs.

The Themoleas' who live at 36 Werner street, also have two girls and a boy.

BATTERY TIP

With the winter season rapidly approaching, motorists wishing to enjoy continued carefree driving should check the efficiency of their batteries. Cold weather always brings about a rapid reduction in the efficiency of an automobile battery, warns the California State Automobile Association. Shorter days necessitating greater use of lights and harder starting due to increased friction between moving parts are contributing factors.

Veterans Officer Gives Information

Perhaps after reading this someone can give the child of a deceased war veteran an extra big thought in mind, Floyd D. Granger, Veterans Service Officer, submits the following information:

Many children whose fathers died as a result of this country's wars discover several years too late that they might have been getting $20 in monthly assistance from the State of California while attending high school, and $40 a month while attending college. They may find out about this aid several years after their entitlements begin on their 16th birthdays, thereby losing substantial benefits.

These are frequently the children of widowed, unremarried mothers, who have to struggle for funds to keep them fed and clothed and in school.

Requirements of the law are met if the veteran who was the child's parent (or step-parent) died due to military duty—in service or subsequently. The child must have lived in California five years before becoming eligible for the assistance; but the veteran parents need not have lived in California at all.

Children may apply for this school assistance between the ages of 16 and 21, and may receive payments while at school until they reach the age of 27.

"The Veterans Service Office tries to keep on file the names of all local children of this nation's service dead who may become eligible for State assistance," stated Granger. "But there might be some new arrivals in our county, or children whom we have missed for other reasons. Telling them about this assistance, or telling us about them, is your chance to bestow an extra Christmas gift this year."

Gas Bids Held Again For More City Study

Eleven bids received December 13 for supplying gas to the city of Daly City were again held over by the council Monday night.

Councilman Edward Dennis said the city should check octane ratings on gas offered by the various companies.

Low bid submitted to supply the city with 3100 gallons a month was entered by Olympia Oil Co., with a per-gallon price of .2154. Next low bidder, Rio Grande Oil, was only seven-tenths of a cent higher.

It was suggested that the city incorporate a minimum-octane stipulation in the contract when awarded.

May your home be blessed with cheer and good will through the holidays and entire New Year.

Local Cagers Dumped By Poly, Sonora Fives

Jefferson High school's varsity cagers blew a 10-point first quarter lead Tuesday night to drop a 41-31 decision to Polytechnic high of San Francisco, while the Daly City 30s were being trampled, 43-23, by the Parrot lightweights.

The varsity drove to a 10-0 advantage at the close of the first quarter, capitalizing on the fast break plays from Guard Al Lagomarsino to Forward Al Figone. Figone tanked a quick eight points in the first quarter but failed to hit throughout the remainder of the contest.

Coach Mike Orlich substituted liberally after the first canto, and the Jeffs continued to relinquish their lead until at half time they trailed, 22-19.

The local 30s were behind all the way against a Poly lightweight team that is undefeated in nine straight games and is odds-on-favorite to cop their division.

Rich Gonzales led local scoring with nine points.

Hitting the north country over the weekend, the Jefferson contingents dropped a pair to two Sonora teams.

The varsity led all the way until the final quarter, holding a 36-35 third period margin. Fourteen free throws by the Soncrans in the final quarter proved the difference, handing the host team a 51-43 victory. Center Wesley Yates led Indian scoring with nine points.

The Daly City lights lost a close contest, 39-31. Bill Curtis hit seven points to lead the Jeffs.

The two local teams faced Lincoln high of San Francisco last night (Thursday).

In next week's outings the Daly City clubs meet Washington of San Francisco at the Jefferson pavilion Wednesday at 7 p.m., tangling the following day at 2 p.m. with Mission at Kezar gym.

The Indians open their league activity January 7 against Half Moon Bay in a home game.

BROADMOOR TOT HIT BY VEHICLE; CONDITION OK

A three-year-old Broadmoor infant suffered a broken thumb and cuts and bruises about the face after being struck by an auto on Washington street Sunday afternoon.

Police said the child, Craig Dalzelle, son of Mr. and Mrs. Frank Dalzelle, 819 Washington street, rushed into the side of a car travelling north on Washington.

The motorist, William Henry Merellas, 35, of 663 MacArthur drive, Broadmoor, was not cited.

The child was taken first to Junipero Serra hospital and later transferred to Permanente hospital, from where he was released following treatment for injuries.

Swig, Wallach Win Merced Stakes

Mel Swig and Harry Wallach, firing net rounds of 66 and 69, respectively, annexed weekend Class A sweepstakes honors at Lake Merced Golf & Country club.

Swig's 76-10 — 66 was good enough to capture the Saturday play, while Wallach's 76-7—69 was tops for Sunday.

Results:

Saturday

Class A—Mel Swig, 76-10—66; Stan Sobel, 78-8—70; Sonny Marx, 80-10—70; Eddie Beber, 83-13—70; Harry Liss, 81-11—70.

Class B—Dick Goldman, 88-21—67; Robert Lurie, 82-15—67; Herb Kippen, 92-21—71; John Greenberg, 91-20—71.

Sunday

Class A—Harry Wallach Jr., 76-7—69; Jerry Stoff, 82-12—70; Dick Eichler, 72-1—71; Joe Cohen, 84-13—71; Benny Lom, 79-7—72; Ferd Lachman, 83-1—72; Hy Tessler, 85-13—72; Ed Boyson, 89-17—72; Norwin Prosser, 88-16—72.

New Theory Told In $2259 Safe Job

A new theory in the November 28 looting of $2259 from Westlake's Compton's restaurant, 391 South Mayfair, was advanced this week by Daly City police.

Going originally on the assumption that the theft was done by one of the establishment's 89 employees because there were no marks of forced entry on the safe or in the room containing the safe, police now say the job may have been done by an outsider.

Basis for this belief was the result of information revealed by a safe expert that the safe may have been left unlocked prior to the time of looting. The expert said if the job was done by an outsider, the safe must have been open since the box would have been almost impossible to crack without leaving visible signs.

Local police are expanding their investigation under this theory.

REBELS MASSACRE WESTLAKE FIVE IN RECREATION LEAGUE

Establishing themselves as the team to beat in the "A" division of the Recreation Basketball league, Colma Rebels trod under a hapless Westlake Globetrotter quintet, 48-23, in Saturday's play at the Daly City community center.

It marked the second straight week that the Rebels had humiliated their opponents by lop-sided scores.

Once again it was Ron Kalinin pacing the Colma five, as he potted 16 points, followed by Don Burley with 14, and Larry Schoenfeldt with 10.

Al Mayer found the mark for the Rebels in Saturday's contest, getting eight tallies.

Steve Oppermann and Ross Holmgren, with 11 and 10 points, respectively, kept Westlake on the scoreboard.

Ernie Howren and Bill Kett, while blanked in the scoring department, displayed good rebounding ability off both backboards.

Never In Contest

The Globetrotters were never really in the contest, trailing 12-4 at the first quarter's close, 24-6 at halftime.

While Westlake seemed a closer knit outfit Saturday than they did in their 38-19 loss to Sharp Park in the season's debut last week, they still appear to be a long way from contention in the "A" circuit.

A team that may give Colma Rebels a run for their money was uncovered in the Brisbane Ducks, who squashed a winless OLPH Giant club, 52-19.

Pots Record 32

Highlighting the contest was the record 32-point output of Brisbane's John Galten.

Galten, unquestionably, beat OLPH by himself, but adding to the slaughter were Paul Kuhn, 10 points, Ron Straussberger, 6, and Al Fitting, 4.

For the Giants, Joe Millett mustered 7 markers, followed by Tim Curtin and Bill Gamon, 6 and 4, respectively.

The two Broadmoor "entries" produced a live contest in Saturday's "B" division, as the Cards squeezed by the Cats, 15-13, as both clubs gunned hard for their initial win of the season.

In a "slim-pickings" first quarter the Cards held a 1-0 lead and moved to a 9-2 advantage at halftime.

The Cards' lead flattened to 15-5, as the winners tanked six points in the third canto.

Late Rally

Undergoing a "revival" in the final quarter, the Cats throttled their opponents without a single tally, picking up eight points themselves.

The clock proved the Cats nemesis, as their sustained rally was ended abruptly by the final buzzer as the tally board showed Cards with a two-point margin.

Card scoring was split between Jim Heick, Web Parker, Muller and Greenwood, getting 6, 5 and two apiece, respectively. For the losers it was Bill Dougherty finishing high with 9, followed by Bill Goodwin and Wayne Moon, two apiece.

Holy Angels Win

The Holy Angels five, stung by their previous week's one-point defeat at the hands of OLPH, bounded back with a 24-21 victory over Brisbane lightweights. The parochial five jumped to a 12-6 first quarter lead and protected their advantage through the remaining quarters.

Tim McHugh notched 10 points for the winners, followed by Bill Downey, 8, and Rich Mori, 3. Smoothy Bill With once again led the Brisbane quint with 15 markers.

Sharp Park closed the afternoon cage activity with a 25-19 win over OLPH Bs, their second straight in as many outings.

Henry Caldwell, collecting 16 digits and dominating both backboards, was the Sharp Park standout. Bill Whalen kept the OLPH club in range with 11 tallies.

Two Stolen Cars, Two Recoveries In Broadmoor Area

Two stolen cars were recovered by Broadmoor police over the weekend and one of the autos was retrieved even before its theft had been reported.

First auto was recovered after police followed up a routine accident report at 11:25 p.m. Saturday.

On arriving at 731 Washington street they found an abandoned vehicle which only a few moments earlier had careened into property at 755 Washington street, knocking down trees, a fence and part of a cement foundation.

According to eye-witness report, a second auto picked up the driver of the vehicle involved in the accident, and sped away.

Police reported considerable damage to the car, owned by Arthur Farnham, 1217 Lane street, Belmont.

Farnham, visiting with his brother, Roy Arneson, at 202 88th street, since 9:30 p.m. Saturday, hadn't realized the car was stolen until he left the Arneson home at 2:30 a.m. Sunday. When he notified Broadmoor police they already had the car in possession.

At 12:25 a.m. Sunday Broadmoor police were notified of another stolen vehcile by the owner, Martin Coburn, 300 Chester, San Francisco.

Chester said he parked his auto on Rainier street at 9:30 p.m. and visited a restaurant on San Pedro road until midnight. When he returned the vehicle was gone.

Later that morning Officer Charles Hazen found the stolen car abandoned on Junipero Serra boulevard at the intersection with Edgemar road.

SF Firemen, Alta, In Cage Openers

Recent action in the Daly City Recreation Department Adult Basketball league found San Francisco fire department, Gigli Plumbing and Alta Roofing victorious in opening contests at the community center.

SF firemen, paced by Joe McGurn and John O'Donnell with an even dozen points apiece, pasted the Wm. Lagomarsino Co., 72-39. Bob Etyl salvaged some of his team's lost dignity with a 19-point output for the realtors.

Gigli Plumbing, pecking away continually at the bucket, beat out a potentially good Sarto A. C. club, 56-44. Gigli's giant 6' 9" center, Ken North, led all scorers with 18 points. Ben Parodi and Wayne Lovelace paced the losers with 12 and 10 points, respectively.

Cappy Lavin, former USF standout, was the kingpin for Alta Roofing in their 76-67 win over a stubborn Ralph's Cleaners five.

Lavin kept Alta's floor game going while re-bound artist Bob Lincoln racked up 26 points for the roofers. Ralph's Leon Buccarelli and Joe Dillon, ex-Balboa hoopsters, kept the issue undecided down to the final buzzer with some uncanny outside shooting. Each totalled 15 points for the evening.

Ocean Shore Says No Need To Lower Southgate Hump

Ocean Shore Railway has reversed an earlier agreement to allow removal of the 15-foot hump on their right of way at Southgate avenue near Maddux, it was learned Monday night in a letter to the Daly City council.

The letter, from A. P. Seybolde, secretary of the O.S.R.R., said the railway had discussed the Southgate hump with the Rev. Roy Milam, pastor of the Westlake Commuity Baptist church, and it was mutually agreed that there was no necessity at this time to lower the grade, since the Baptist church building project on Southgate is not ready to proceed at this time.

City Attorney Frank Blum read the letter in its entirety in order to place its contents on record to protect the city in future action.

Earlier, Blum reported, all parties concerned, including the railway, had signed an agreement allowing lowering of the dangerous Southgate section. In the agreement, it was stipulated the city would not be liable for damages as a result of the lowering.

After Blum had read the O.S.R.R. letter he said, "I'm presenting this to show just where the matter stands."

"Just where does the matter stand?" asked Mayor Joseph Verducci.

"Frankly, I don't know," Blum replied.

In effect, Blum later pointed out, Monday's letter simply revokes the previous railway letter which agreed to the lowering of the elevation on Southgate.

Social Security For Formerly Ineligible Kin Of Deceased

Some widows or children whose husbands or fathers died before September 1st, 1950, may be eligible for Social Security payments now, even if they were once turned down as ineligible. This benefit is worth looking into, especially by the survivors of deceased veterans, according to Floyd D. Granger, Veterans Service Officer.

He explained that under the new amendments to the Social Security Act, just one and a half years of employment covered by the law may be enough to create benefits for a deceased worker's survivors, whereas longer employment may have formerly been required.

"What makes this important to veteran's dependents," went on Granger, "is the fact that each month's service in the armed forces is considered the same as earning $160 in monthly wages. Veterans who formerly did not show enough "earning time" as defined by the Social Security Law, and who died after June 30, 1940, and before September 1, 1950, might now be considered fully insured in certain cases, and their surviving unmarried widows, children under 18, as well as dependent parents, might be entitled to Social Security payments, if all other requirements are met."

Since the law is not easy to interpret, and each case must be considered individually, Granger advised persons who think they might be eligible to inquire at the nearest Social Security Office.

"There is really only one way to find out whether you qualify under the new law," he said, "and that is to go in and ask. Payments cannot be started until they are applied for. It won't hurt to investigate."

Clothing Shop Gives $750 Clothing For Distribution To Needy

Daly City Rotary club announced this week that they had turned over $750 worth of clothing to the Daly City fire department for distribution to needy persons at Christmas time.

The clothing was donated to the Rotary by Orin Bender, proprietor of Town & Beach Tog Shoppe, 365 South Mayfair.

DALY CITY EAGLES DROP TWO IN BOWLING LEAGUE -- FACE APPLE TREE TUESDAY IN FINAL PLAYOFF

Daly City Eagles, going into the final night of the first half with a one-game lead in the Daly City-Colma Bowling league, had to rally in the last game Tuesday night at Brentwood to gain a tie with Apple Tree Restaurant.

Needing only one win to tie up the circuit and two to clinch it, the Eagles appeared headed for a triple defeat and loss of the championship as they dropped the first two games, 853-793 and 841-802.

The Eagles had to pull the night's highest team game, 866, out of the bag to top Apple Tree's 840 and win the third pin session, gaining a tie for the crown. Both finished up with 31 wins, 14 losses.

The two leaders will vie in a sudden death playoff next Tuesday night, starting at 8:30 p.m.

Runners-up in first half competition were Central Club, third with a 29-16 mark, and Vince & Fred, next in line with a 27½-17½ season tally.

Leading Apple Tree to their double win over Eagles Tuesday was Dick Keefer's 580 series, compiled with games of 212, 187 and 181. Stan Fogler aided the cause with a 531 triple. John Piorkowsky paced the Eagles with 189-172-181—552.

F. Teupel of the Vagabonds rang up a 602 high series for the evening, while Vince & Fred's Tony Santos hit individual high game of 227.

Runners-up in the individual game department included: Joe De Filippo, Daly City-Colma Lions, 218; Harold Riley, 101 Club, 212; Stan White, Central Club, 207; Don Viri, John's Brentwood Rest, 206; and Charles Niederbach, 101 Club, 202.

Among games posted were: Irwin Walters, Carlos Pizzeria, 559; Niederbach, 546; and Jay Schoeles, Walters, 543.

PACK 248 CUBS ENJOY YULE FETE

A banner turnout of 150 persons, including Pack 248 Cubs, their parents, relatives and friends took part in a Christmas party Friday at the Daly City community center.

Providing the Christmas motif was a Santa Claus and a Christmas tree. The tree was decorated with ornaments which the Cubs had made. St. Nick handed out gifts to all the Cubs and the younger children.

In addition, each Cub donated a gift to the Edgewood Home and a representative of the institution spoke and thanked to the Pack 248 boys for their kind gesture.

Warren Johnston, Cubmaster, introduced new Troop 248 Scoutmaster, Alfred Belotz, who addressed the group and said their meeting was "one of the best I have seen in 15 years of Scouting."

Later in the evening Cubs gave their parents gifts which they had made.

Refreshments were served at the Yuletide gathering.

At the close of the meeting Johnston announced that the recent cookie sale had met with overwhelming success, pointing out that a net of $400 was raised, enough to finance next year's pack activities. Johnston extended thanks to people of Westlake who were "kind and cooperative" in the fund raising effort.

SERIOUS HURTS TO DRIVER WHO RAMMED TRUCK

Junipero Serra boulevard-Alemany intersection claimed another accident victim early Saturday morning when an auto was nearly demolished after piling into the rear and of a parked truck.

Police said Winfred Fisher Lemm, 44, of Millbrae, was driving her auto south on Junipero Serra boulevard at 1:14 a.m. Saturday when she failed to see the heavy truck parked on the boulevard and hit the machine at high speed.

She was rushed to Junipero Serra hospital for treatment of shock, two fractured fingers, a broken hip and numerous facial cuts. Yes- and numerous facial cuts.

The truck had been parked by driver Vincent Emel Mosse, 26, of Petaluma. He was cited by police for parking too close to a major intersection.

Mossi Near-Perfect Against Pomona; Whiffs 11 In Five

Don Mossi, Cleveland Indian relief ace, was as calm as the weather was cool Sunday at Marchbanks park as he pitched five near-perfect innings for Sarto A.C., handing out one hit to the Pomona Tile nine.

During his five frames of work, Mossi held the tilemen scoreless and struck out 11 batters.

At one point in the game Sarto fielding errors loaded the bags with none out. Mossi proceeded to strike out the side in order with the sacks full.

After Mossi left the game because of the cold weather Pomona Tile scored six runs off reliefers Ed Slatts and Ron Castro, to win, 6-5.

In the ninth Sarto put on a last-ditch rally, scoring four runs, but fell one shy of tying up the contest.

The Sarto club will remain idle on the next two Sundays because of the holidays.

John Kimble, proprietor of Kimble's Westlake Union Service, Sheffield and South Mayfair, has announced that drawing for a boys bicycle will be held tomorrow (Thursday) night at the station, beginning at 8 p.m.

Jack Kendree of Henry Doelger, Builder, Inc., will draw the winning ticket.

Kids Overdo Aspirin Dosage; Condition OK

Ross and Lyle Bran, five and two years old, respectively, spent a while at Junipero Serra hospital Saturday to have their stomachs pumped after each of the two tots had swallowed approximately half-dozen aspirins apiece.

Parents of the children, Mr. and Mrs. F. K. Brann, 760 North Mayfair, said the youngsters took the aspirins from the family car and proceeded to devour the whole box.

The children were out of danger following treatment at the hospital, their parents report.

Merry Christmas

There's a thrill in the air, and it's spreading everywhere! The children say that Santa is coming and the older folks say it's the holiday spirit! Whatever you call it, we wish you the best of good tidings this joyous season!

ADORATION OF THE MAGI . . . This Nativity scene was painted by Benvenuto di Giovanni (1436-1518) of Siena, Italy, and hangs in the National Gallery of Art, Washington, D.C. It is one of many famous "adoration" scenes painted by artists of all nationalities.

Merry Christmas! Merry Christmas!

The spirit conveyed by these words is the same in all countries, but the words themselves sometimes fall harshly on American ears.

"Merry Christmas" in French has a soft and musical sound. It is "Joyeux Noel."

In Spain the greeting is "Feliz Pascuas", and in Italy, "Buon Natale". For Sweden it is "God Jul" and Norway, "Gladig Jul".

In Germany and Holland the greeting is a tongue-twister that will stump the average America. The Germans say "Froehliche Weihnachten" and the Dutch, "Pleizierig Kerstfeest".

But whatever the language, the spirit behind this greeting is the same wherever there are men of goodwill.

TIME FOR CAROLS . . . Men, women and children from Protestant churches blend their voices in carol singing before the blazing Yule log. This Christmas Eve custom is becoming increasingly popular throughout the country.

THIS MAY BE the post office's biggest Christmas. The postmaster general estimates that more Christmas mail — packages and cards—will be handled in 1952 than in any previous year. With this in mind, the post office department has hired extra employees and arranged for use of extra trucks for the holiday period.

The post office is Santa Claus' good right arm. It delivers gifts and greetings throughout the world, and it will do its best to get them there by December 25—if they are mailed on time.

Much Christmas mail going overseas is handled in cooperation with the postal systems of other nations. But in the United States and its possessions, in U.S.-trusteed islands in the Pacific and among U.S. servicemen in all parts of the world, delivery of holiday greetings is strictly a United States affair.

The army takes over, through its army post office, for troops serving outside the United States, be they in Germany, Korea, or somewhere on the way. The navy handles mail for its men on ships at sea and at naval stations anywhere on the globe.

Best known special Christmas business done by any post office is that of Santa Claus, Indiana.

Three types of rays—alph, beta and gamma—are used for radioactivity surveys.

Your Poinsettia Will Bloom Next Christmas

THE POINSETTIA has long been a popular Christmas plant but probably few people have given much thought to the fact that it does come into bloom each year only at this season.

The poinsettia is one of a group of plants known as short day plants because it will bloom only in the season of the year with short day length periods, preferably 10 hours or less. That is why it is always in bloom during the Christmas season and not during the summer. It could be prevented from blooming now by lengthening the daylight period to 15 hours by means of artifical lights.

Flower growers have learned how to bring garden chrysanthemums into bloom any month of the year by using shading cloth to shorten the days and artificial lights to lengthen the days. The chrysanthemum is also a short day plant.

How can one keep a poinsettia plant until next season? After its usefulness is over, place it in the basement or some dry place where it will not freeze. Do not water it, or at least very little, and let the soil dry up. Next May bring the plant out, cut the stem back about two thirds, wash the old soil off the roots and re-pot in new soil. From then on handle it like any other pot plant. Softwood cuttings taken in July and rooted will give you good Christmas bloom.

The most important present-day uses for sheet mica and built-up mica products are in electrical insulation.

Bay and rosemary have also been represented among our Christmas plants from time immemorial. An ancient writer says: "Rosemarie and Baies that are most faire were stuck about the houses and the churches at the time of Christmas."

According to tradition it was the bay tree, with its lance-like leaves and purple berries, that sheltered the holy family during a thunderstorm. Accordingly it was believed that lightning will never strike a bay tree.

The association of the rosemary plant with Christmas also goes back to the early childhood of our Lord, namely to the flight into Egypt to escape the wrath and jealousy of King Herod. Its branches are said to have held the little garments of the Christ-Child that were placed upon them by the Virgin Mother. Originally, its flowers were supposed to have been white, but the plant changed the color of its blossoms to lavendar so that they might bear the hue of the cloak Mary was wearing at the time.

HOLY GLASS . . . This stained window is in the church of Obern-dorf, Germany, where the beloved Christmas carol, "Silent Night, Holy Night," was first sung.

XXXMAS KISSES

Mistletoe Bestows Good Fortune

VERY few people don't know what a sprig of mistletoe means at Christmas time—especially when there's a pretty girl standing beneath it! But few people realize that this very pleasant custom has its root in age-old superstitions.

The lore of primitive days contains many references to mistletoe.

According to an ancient Norse legend, the sun god was slain by an arrow fashioned from the mistletoe plant. He was resurrected by his mother's tears, which falling upon the plant, were crystallized into pearly berries. Because of this magical healing, it was ordained that mistletoe should grow neither on heaven nor earth, but suspended between. That is the reason, runs the legend, that mistletoe is found growing on trees.

Mistletoe was of special significance to the Druids, ancient pagan priests of England, who cut it off trees with a golden knife used only for that purpose. They believed it possessed wonderful powers of healing and acted as a protection from witchcraft. During the December religious rites, it was bestowed upon individuals as a special mark of honor.

Because of its supposed salutary properties, mistletoe was often hung over the doors of primitive houses as a sign of good-will. Belief in magic has disappeared, but this custom still remains. And a kiss under the mistletoe still has beneficent effects. Try it and see for yourself!

Allegorical Parades Mark Mexican Yule

THE PEOPLE in Mexico build elaborate floats for allegorical parades during the holiday season.

For eight evenings before Christmas there is a religious procession at the head of which the figures of Joseph and Mary are borne.

On the ninth evening entrance is permitted and a religious ceremony conducted about the straw-filled manger of the Babe.

True Christmas Spirit Is Found in Sharing

FOR A REALLY satisfying and meaningful Christmas, share yours with the old and feeble, the ill and shut-in, the bereaved whose sorrows you might lighten.

Unfortunately, all the flurry and preparation associated with Christmas are apt to make parents as well as children overlook the real significance of the coming birthday of Christ.

'Lord of Misrule,' 'Hodening Horse' Make Noel Jollier

A DIFFERENT playtime observance for your Christmas festivities is the game "Lord of Misrule."

When your guests have all arrived and have been greeted by the music of the minstrels and the song of the carolers, it is time for the most honored guest of the evening to arrive. With much fanfare the "Lord of Misrule" is announced. He enters with great pomp and ceremony and takes his place as the master of ceremonies for the evening.

The Lord of Misrule comes to us from the Tudor courts where he was elected annually to reign over the Christmas festivities. His word, during the festivities, was law, and the ridiculous commands he laid upon the guests had to be obeyed. The introduction of the Lord of Misrule into our festivities offers an unusual method for introducing the many games with forfeits which are traditional for Christmas.

At your party, the Lord of Misrule will command each guest to do his bidding. He may call for singing, dancing, pantomime, imitations and stunts of all kinds. Failure to do the bidding of the Lord of Misrule results in the payment of a forfeit.

It was the custom in Kent, England, for young men to go from house to house with the hodening horse, an imitation of a horse's head attached to a long stick. Two lads, forming the body of the horse, were hidden from view by a covering of cloth resembling horse's skin. The hodening horse was accompanied by paraders who rang the bells throughout the town and begged for money or food.

Noel Preparations Started in Norway In Middle of Year

CHRISTMAS just couldn't help being the event of events in Norway **when grandmother was a girl.**

Without exaggeration, preparation for Christmas actually began six months before December 24. Everything which was used—food, clothing, household furnishings—was prepared in the home. Even the leather for shoes was tanned from hides raised on the homestead.

The cloth for apparel, from the skin out, was woven on hand looms. Cobblers came to the house and made the shoes; dressmakers and tailors came. Everyone in the household had to have a new wardrobe for Christmas and, since tailors and cobblers and dressmakers could not be at all places at once, it was necessary to get an early start.

When the butchering was finished —in October or November—the suet was melted and the candles were made. The children always had a hand in making the little ones for use on the Christmas tree. And they usually made one which had three prongs which, placed at the very top of the tree, represented the three wise men.

NO RAIN, DEAR . . . This young lady makes a pretty picture down in sunny Florida on Christmas eve as she poses with Rudolph the red-nosed reindeer. Although Florida lacks snow it makes up for it in other beauties.

At this season, our thoughts turn gratefully to those whose courtesy, loyalty and cooperation have assisted in our progress—to you, we extend our best wishes for Happiness and Prosperity.

Christmas Rose Enhances Yule's Festival Mood

AMERICANS usually decorate their homes at Christmas time with holly, evergreens, or hothouse plants. Recently, however, they have found a new friend in the Christmas-rose. Nurserymen say this plant's popularity has skyrocketed in the last few years.

The Christmas-rose is not really a rose at all but belongs to the crowfoot family. It is a small plant no more than a foot high when mature. Nevertheless, it can put forth seven or eight small white roselike blooms tinged with pink.

Called by botanists Helleborus niger or black hellebore, it gets this name from its black stalks. The Christmas-rose is no freak, no superprecocious flower or early-blooming plant. This legitimate child of winter flowers naturally in December or January. It withstands snow and low temperatures, demanding only some sort of shelter from the weight of snow.

Helleborus niger does not propagate well in the United States. Hence, most of the tiny plants are imported from Belgium and the Netherlands. They develop best only in the western part of those countries where they thrive in soil peculiar to the region.

The ancient Romans knew about the Christmas-rose and eagerly sought it for medicinal use. They believed that eating the roots would "clear the brain, cure stupidity and relieve insanity."

"Let him sail to Anticyra" said the poet, Horace, of an ill friend. Anticyra was a Greek town where the black Hellebore flourished.

The Helleborus family is indigenous to southern Europe and the Mediterranean regions. The Christmas-rose variety came originally from Austria.

The delicate beauty of the Christmas-rose is hallowed by legend.

The Rose of Christmas Was Young Girl's Gift

THE Christmas rose blooms at an unusual season, from December to March, with white, sometimes pinkly colored blooms. Because of the soft tinge of pink, the flower has been given the name Christmas rose.

Legend tells us that when the Wise Men were journeying toward Bethlehem, they came upon a young girl who was tending her sheep. The girl complained to an angel that she had no gift for the Holy Child, whereupon the entire pathway to Bethlehem was flowered with glistening white Christmas roses.

Madelon, the girl, offered the flowers, and when the fingers of Jesus touched them they became suffused with pink.

Yule Tree Business Figured in Millions

CHRISTMAS TREES are a multimillion dollar business. Throughout the nation, some 15 million trees are supplied to the holiday demand. Prices range from $1 to $5, and that adds up to real money.

A Christmas tree, in the lake states, is usually a balsam or a spruce. The same is true in New England and the Appalachian section. Elsewhere in the country, virtually all kinds of evergreens are used.

The lodgepole pine and Douglas fir are frequently used in Colorado. On the Pacific coast, it is principally Douglas fir.

In Maryland, Virginia and Washington, D.C., a scrub pine takes a trimming.

In other localities, white pine, southern pine, hemlock, red and white cedar and redwood are used.

The business of harvesting this annual crop begins in the fall, when cutters go into the woods after trees. It continues as truckers bring huge loads to metropolitan markets.

In most cases, Christmas tree harvests are actually a part of good forest management.

Many land owners manage their swamps to make them yield a crop of trees year after year. Thinning operations are another source of Yule trees.

Farmers have discovered that they can get a cash crop from eroded acres by harvesting Christmas trees 10 or 15 years after they are planted.

TIME OUT . . . Santa Claus pauses in his Christmas Eve visits sometimes to pick up a hot dog and ice cream cone at an all-night hamburger stand.

ALLERGIC TO WHISKERS . . . Not all little boys who love Santa Claus this time of year have a sublime trust in the old gent. This young man obviously wishes he were somewhere else.

Select Toys to Fit Child's Age Level

A child's Christmas toys should be chosen with as much care as you would buy his clothes—to "fit" his age level.

If the child is just learning to walk and climb, give him play materials to stimulate these activities. He needs his first picture book when he begins to talk, housekeeping toys at about three when he begins to want to help mother, and crayons and scissors when he can begin to handle them.

Parents, aunts, uncles and cousins should consider what the child is ready for as regards physical growth and mental and social development in selecting toys.

If toys are selected with some relation to the child's growth and needs, they will be toys which stimulate self-reliance.

Most children, it is believed, can fare better with fewer but carefully selected toys. And when buying a toy, the parents should consider its probably "life."

THROUGH THE HOOP . . . Flippy, a trained porpoise at Marine Studios, Fla., gets into the holiday spirit by leaping through a Christmas wreath suspended over the water of his tank.

The Mystery of God's Firmament

THE "STAR" which signaled "the First Christmas" may be interpreted in many ways. In all such interpretations we must put ourselves as nearly as possible into the social and psychological frame of mind of those whom we try to understand. The astronomer knows that through the ages the word "star" has been used to indicate almost any celestial phenomenon. We still speak of "falling stars" or "shooting stars" which we know quite well are not stars at all. In more ancient times the comet was called a "hairy star" and was derived from the Latin word coma, meaning hair. The planets were the "wandering stars" as opposed to the "fixed stars", and from the Greek word for wanderer we derive our word "planets."

The Star of Bethlehem could have been any of these. It could ever have been a "new star" or nova which suddenly burst forth with a many-thousand-fold increase in brilliance, due to some great stellar catastrophe. These are all explanations of what the "star" could have been. Had it been any of the above, it would have been seen by many peoples, and in literature would have been found references to the appearance of the object which attracted attention. But nowhere in the literature or in the folklore of any of the peoples noted as astute observers of celestial phenomena do these references exist.

From this we are forced to conclude the appearance of the star was a sight given only to the Wise Men to see.

May the blessings of the Almighty unfold with abundance for you during the holidays and through the year.

Christmas Trees Can Be Put to Many Uses After New Year's

There are a number of things you can do with your Christmas tree after New Year's besides burning it.

If it is a fir, for instance, it can be anchored in the back yard—perhaps in a corner of the garden—and used as a bird feeder the remainder of the winter. Pieces of suet and little feed bags may be tied to the branches. A container of water should be placed beneath the tree and kept filled so the birds will have a drink every day.

Or, cut off the branches and place them, curved ends up, over flower beds when the ground is exposed. An evergreen mulch helps prevent the soil from heaving during alternate freezes and thaws. Long branches may be built into little lean-tos to protect tender shrubs from sun scald.

The needles of a Christmas tree can be sprinkled beneath acid-loving plants such as laurel, andromeds, rhododendron and blueberries.

If the needles on the tree are still firm, use the branches in an outdoor windowbox. Moisten the soil in the box. Then push the cut ends of the branches down to the bottom and tamp the soil firm around them. This will generally give you greenery all winter.

If you must burn your Christmas tree, don't toss it into a fireplace. Cut off the branches and burn them safely one by one.

And remember, a Christmas tree tossed into the street can become a fire hazard if playful children pick it up and make a bonfire of it in a vacant lot.

Chemical Solution Protects Christmas Trees From Flames

To fireproof your Christmas tree, which is still a hazard even with electric lights, select your tree four to six days before you intend to decorate it. Then weigh the tree and buy one-fourth as many pounds of ammonium sulfate as the tree weighs. This chemical is available in most stores that sell seeds and fertilizers.

For each pound of ammonium sulfate use 1½ pints of water to make the fireproofing solution. Mix the solution in something tall and narrow that will hold the tree upright. Then saw off the tree diagonally so as to give a large cut surface. Set the tree in the solution in a cool place, away from the direct sunlight, and leave it there until most of the solution is absorbed.

Santa's Little Helper Was Scandinavian Elf

Where did Santa's Little Helper come from?

In the Viking age in Scandinavia, long before Leif Eriksen discovered America, the little North Children believed that a little elf with long white whiskers—Jul Tomten—lived in the stable. He saw that the earth was abundant with good food and that the animals and birds were taken care of. After the pagan Vikings became Christianized, little Jul Tomten became the giver of presents—like our Santa Claus today. The children left a bowl of porridge on the kitchen table for which Jul Tomten would exchange gifts for the good boys and girls. Travelers brought back the legend of Tomten and he has come down to us as the busy jolly, good little elf who works in Santa's workshop.

1 B. C. and 1 A. D. Were Not a Year Apart

According to our calendar, one would naturally assume that between the year 1 B. C. and the year 1 A. D. there should be a year called zero. As a matter of fact, no such year exists, as far as historians are concerned, and the year 1 A. D. follows directly after the year 1 B. C.

A person born in 3 B. C. would not be five years old at 2 A. D., but would be four years old when one is calculating data in that period. When adding B. C. and A. D. years, it is necessary to always subtract one to compensate for the year zero omitted between 1 B. C. and 1 A. D.

'Hansel and Gretel' Join the Procession

The original score of "Hansel and Gretel" was composed by Englebert Humperdinck as a Christmas piece.

The musical fairy tale created a sensation.

Since Humperdinck was one of Wagner's most intimate assistants, his harmonies have been dubbed "nursery rhymes—Wagnerian style" and since fairy tales and nursery rhymes are appropriate at Christmas, "Hansel and Gretel" has joined the procession of traditional Christmas music.

You Can Make a Big Christmas Candle

You can make a big, long-burning candle to fit into your Christmas decorations if you have a number of odds and ends of partly burned candles around the house. Melt them and pour into cardboard containers and remold. Use ice cream cartons, oat meal containers or others. Use plain cord for a wick. When the wax is beginning to set, tie the wick to a pencil and suspend it in the wax. Let set hard, remove carton and there is a nice candle for your table.

"Three things most women can make out of nothing are a salad, a hat, and a quarrel."

Why Christmas Candles?

On Christmas Eve the Christ Child wanders all over the earth seeking deserving people—people who are kind and thoughtful of others, and people who have loving hearts. Lighted candles are placed in the windows by such people so that He may not stumble and fall. In the course of His search He visits every castle and hut, no matter how rocky and rough His path may be.

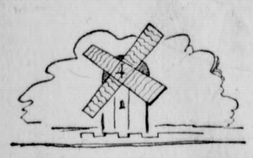
CHRISTMAS AROUND THE WORLD

UNITED STATES (Merry Christmas)—Christmas tree, mistletoe and Santa Claus.

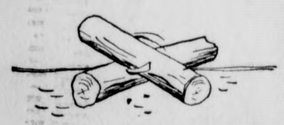
BRAZIL (Boas Festas)—A family dinner is first on the list of festive celebrations in Brazil. Christmas trees, gift exchanges and other typical U.S. holiday customs are being adopted in South America.

HOLLAND (Hartelijke Kertgrooten)—Land of old St. Nicholas, forerunner of our Santa Claus. In former years, the Dutch celebrated for a month. St. Nick scattered his gifts about the floors of Dutch homes as early as December 6.



ITALY (Bono Natale)—Shepherds gather in villages on Christmas Eve to play musical instruments as townsfolks sing sweet Nativity songs. Thousands flock to St. Peter's in Rome on Christmas Day.

GREECE (Kala Xristouyeha)—Decorated trees, greeting cards and gift exchanges are season highlights. New Year's Eve is really the top holiday, with big dances, parties and other celebrations for young and old.



PHILIPPINE ISLANDS (Maligayang Pasko)—Church services, singing and dancing are Yuletide favorites in the islands.

PRAYER . . . "O come let us adore him", these children pray on Christmas eve. Their prayer is the true and greatest gift of all.

Christmas Gifts Are Not Always Brought by Santa

In America it is always Santa Claus, dashing from rooftop to rooftop in his sleigh, that brings Christmas gifts to the children. But it is not always Santa who brings the gifts to children in other lands.

In Holland it is St. Nicholas, dressed in bishop's robes of black, wearing a mitre and carrying the crozier. And he arrives on a white horse.

English children look for a Santa Claus who closely resembles our own and gifts are tied to Christmas trees.

In Finland, Santa has elves who passes out gifts for him.

In Italy there is no Santa Claus. Instead, they have a beneficent old witch, Befona, who sails through the air on a broom stick on Christmas Eve.

Brazil has Papa Noel, very much like Santa. He wears a red suit and travels in a sleigh drawn by reindeer. However, he enters the house through a window instead of the chimney.

Spanish children place their straw-filled sleeves on the window sills so that the Magi may feed their horses while they leave gifts. The older people fill an Urn of Fate from which the gifts are drawn on Christmas Day.

In many other parts of the world Santa is not known, but many people exchange gifts nevertheless at Christmas time.

The entire staff joins in wishing our friends and customers the MERRIEST CHRISTMAS ever!

COOPER'S KITCHEN
6389 Mission St. PLaza 5-9971

THE JOY OF CHRISTMAS . . . Much of the joy of Christmas for mothers and fathers is watching the thrill children get from finding toys under the tree. These children express their joy on Christmas morning. Much of the joy for the children is the anticipation of and mystery in Santa's visit and the guessing about what the old fellow will bring.

God Bless Christmas

"There are many things from which I might have derived good, by which I have not profited, I dare say," returned the nephew. "Christmas among the rest. But I am sure I have always thought of Christmas time, when it has come around, as a good time; a kind, forgiving, charitable, pleasant time; and, therefore, uncle, though it had never put a scrap of gold or silver in my pocket, I say, God bless it!"—Charles Dickens, "A Christmas Carol."

Christmas Game

Snapdragon was a favorite Christmas game in England more than 200 years ago, it is still played in modified form in England and America.

The original game called for a quantity of raisins to be deposited in a large bowl or dish. Brandy or some other spirit was poured over the fruit and ignited. The bystanders then endeavored to grasp a raisin, by plunging their hands through the flames. A carol, called "The Song of Snapdragon," accompanied the game.

CHRISTMAS CHOIR . . . Junior members of a church choir lift their voices in song during the annual Christmas candlelight service. Truly, they represent the spirit of Christmas.

A sparkling shower of our good wishes to you to brighten your holidays.

Egyptians Made Elaborate Dolls For Children

No one knows for sure who made the first doll, but it can be assumed the earliest figures were sacred—gods and ancestor images. These doll-like forms were not toys for the delight of children, but solemn religious figures that preserved the tribe from harm.

Then, somehow, somewhere, a change took place. Dolls became a toy for girls and the most popular Christmas toy of them all.

Dolls have been discovered in Egyptian tombs and ruins, some even had real hair; some were ivory, carved by craftsmen for a king's daughter; others were made of straw by an overworked mother in a peasant's hut.

In ancient Greece dolls were played with and cherished by little girls until they were ready to be married. Then (their dolls were taken to the shrine of a favorite goddess) and, often with tears, presented to her. The Roman children played with dolls, too, but after the fall of the Empire there came a long period in which there is no record of dolls.

Not until the thirteenth century when dolls were made in Nuremberg and dressed in the fashions of the times did little girls again play with dolls. They were here to stay.

Bethlehem Rites Feature March To Nativity Cave

CHRISTMAS is observed in Bethlehem on December 25 by the Roman Catholics and Protestants, on January 6, by the Greek Orthodox and affiliated churches, and on January 18 by the Armenians.

All Bethlehem, however, turns out on December 24 for the arrival of the Patriarch of Jerusalem —Cardinal of the Holy Land—who each year brings an ancient effigy of the Infant Jesus to Bethlehem which he lays in the manger within the cave where Christ was born.

Dramatically the procession approaches: heralded by a single horseman, his banner streaming aloft. A corps of native police mounted upon fiery Arabian horses follow and then another single horseman upon a prancing black steed carrying the cross on high; the Patriarch in his cardinal and ermine, mitred bishops, clergy in embroidered vestments and white robed acolytes — swinging golden censers—precede the jeweled pavilon of the Holy Child. Magnificent corteges of government officials, foreign embassies, bands, religious organizations follow, and finally, American made automobiles mingle with native two-wheeled carriages.

The procession enters the Church of the Nativity. The public is not permitted to witness the actual placing of the effigy, as that part of the Church—built above the Cave of as long as there are little girls and boys to play with them, and parents and fond kinfolk to buy.
